THIS AGREEMENT

BETWEEN:

THE CITY OF BURNABY
(hereinafter called the "City")

OF THE FIRST PART

AND:

THE BURNABY FIREFIGHTERS' UNION, LOCAL 323
of the International Association of Firefighters
(hereinafter called the "Union")

OF THE SECOND PART

1 TERM OF AGREEMENT

This Agreement shall be for a term of two (2) years from and including the 1st day of January 2020 to and including the 31st day of December 2021 and shall remain in full force and effect thereafter from year to year unless either party, within four (4) months immediately preceding the 31st day of December 2021 or within four (4) months immediately preceding the 31st day of December in any subsequent year, gives to the other party written notice of its desire to terminate or amend such Agreement.

Subsections 50(2) and 50(3) of the Labour Relations Code shall be specifically excluded from and shall not be applicable to this Collective Agreement.

2 COVERAGE

WHEREAS the City is an Employer within the meaning of the Labour Relations Code, being Chapter 244 of the Revised Statutes of British Columbia, 1996.

AND WHEREAS the Union is the duly certified bargaining agent for the employees of the Burnaby Fire Department except for those employees excluded by provisions of the aforesaid Labour Relations Code and without restricting the generality of the foregoing, save and except the following:

- Fire Chief
- Deputy Fire Chief, Operations
- Deputy Fire Chief, Administration
- Deputy Fire Chief, Planning and Logistics
- Staff Officer, Information Technology
- Clerical Staff

This Agreement shall constitute, inter alia, the wages and working conditions for the employees in respect of whom the Union is so certified.

3 UNION SHOP

- (a) The City hereby recognizes and acknowledges the Union as the sole bargaining agent for those employees of the City (hereinafter referred to as "employees" or "employee" as the context may require) with the exception of those employees hereinbefore mentioned.
- (b) The City shall require that all new employees shall, within six (6) months of commencing their employment, become members of the Union and all employees shall, during the term of this Agreement, remain members in good standing of the Union.
- (c) The City agrees that, upon receipt of written authorization in a form satisfactory to the City, it will deduct from the employee's salary all Union dues and assessments levied in accordance with the by-laws of the Union.

4 WORKING CONDITIONS

4.1 Hours of Work

- (a) The hours of duty for Firefighters, Lieutenants, Captains and Assistant Chiefs shall be an average of forty-two (42) hours per week.

As per the current practice, employees may be temporarily reverted from the two-platoon schedule to work straight day shifts (4 shifts = 5 calendar days) in order to facilitate accommodation of training activities or the performance of special assignments.

- (b) A flexible work week on a seven calendar day basis shall be incorporated into the contract for the Fire Mechanic and Chief Fire Mechanic on a 4-day week and 10-hour day basis, including a daily paid lunch break of one-half (½) hour, to be determined by the head of that Branch. The paid lunch break is provided in recognition of the fact that the Fire Mechanics and the Chief Fire Mechanic must remain at the workplace and may be required to work during the designated lunch break at their regular rates of pay. Acting time shall only apply for approved Leave of Absence with or without pay, following past practice. Tools required by the Fire Mechanics or Chief Fire Mechanic shall be replaced by the City when broken or worn beyond further use. The City shall not be held responsible in cases of loss or theft of tools.
- (c) A flexible work week shall be in operation, for all employees of the Fire Prevention and Training Branches, with an average of 40 hours per week, including a daily paid lunch break of one-half (½) hour on a schedule to be determined by the head of that Branch to meet the requirements of the Fire Department. It is understood that the operation of the flexible work week applies on the basis of a calendar week that is Monday through Sunday. The paid lunch break is provided in recognition of the fact that these Division employees must remain at the workplace and may be required to work during the designated lunch break at their regular rates of pay. Acting time shall be authorized by the Fire Chief or designate and shall only apply for approved Leave of Absence with or without pay, following past practice.

4.2 Callout

- (a) Except as provided in Sections 4.2(b) and 4.2(c), an employee reporting for work on the call of the City at any time other than the employee's regular working hours shall be paid at the rate of double the employee's regular rate of pay for the entire period spent at the employee's place of work in response to the call, with a minimum of three (3) hours at the rate of double the employee's regular rate of pay.

When computing the payment of Callout of an employee under this Section 4.2(a), all time worked by such employee from the time the employee reports for work until the employee returns to the employee's regular place of work (e.g., the Fire Hall at which the employee is stationed) and has been relieved of further duties by the Officer in Charge, shall be deemed to be Callout.

- (b) Notwithstanding anything contained in Section 4.2(a), an employee reporting for work on the call of the City on any of the statutory holidays described in Section 6.4(c) other than the employee's regular working hours shall be paid at the rate of triple the employee's regular rate of pay for all of the hours worked during the statutory holiday in response to the call, and double thereafter, with a minimum of three (3) hours at the rate of triple the employee's regular rate of pay.
- (c) Notwithstanding anything contained in Sections 4.2(a) or 4.2(b), an employee reporting for work on the call of the City for the purpose of attending a meeting of an administrative nature shall be paid at the employee's regular rate of pay for the entire period spent attending such meeting in response to the call, with a minimum of three (3) hours at the employee's regular rate of pay subject to the following conditions:
 - (1) At least seven (7) days' notice of the meeting date shall be provided.
 - (2) In the event a scheduled meeting date is postponed, at least seven (7) days' notice of the new meeting date shall be provided.
 - (3) The City will be required to schedule the meetings by canvassing each employee concerned in advance in order to identify and thereby to attempt to avoid those off-duty days which would be unduly inconvenient to the employee.
 - (4) Each employee involved in any such scheduling effort will be expected to cooperate fully in the effort, but will not be subject to discipline for failure to agree to meet on any day when the employee has a prior commitment of a personal nature.

- (5) Nothing contained in this Section 4.2(c) shall be construed so as to interfere with the right of the City to require an employee to report for work pursuant to Section 4.2(a) or 4.2(b) for the purpose of attending a meeting of an administrative nature or of any other kind, in which case neither the rate of one and one-half (1½) times the regular hourly rate nor any of the conditions set out in paragraphs (1) to (4) inclusive of this Section 4.2(c) shall apply.

4.3 Overtime

- (a) An employee who is required to work overtime immediately preceding or following the completion of the employee's regular shift shall be paid at one and one-half (1½) times the regular hourly rate of the employee for the first two (2) hours, and two (2) times the regular hourly rate of the employee for all overtime hours worked beyond two (2) hours, computed on the basis of the employee's normal working hours. In order to qualify as Overtime under this Section 4.3(a), the requirement for an employee to work Overtime preceding the employee's regular shift must be accompanied by a minimum of twenty-four hours' notice of such requirement. When computing the payment of overtime of an employee under this Section 4.3(a), all time worked by such employee from the time the employee completes the employee's regular shift until the employee returns (if the employee's duties required the employee to leave the employee's regular place of work) to the employee's regular place of work (e.g. the Fire Hall at which the employee is stationed) and has been relieved of further duties, shall be deemed to be overtime.
- (b)
 - (1) An employee who is required to work an extra shift shall be granted time off or payment, at the option of the City, at the rate of one and one-half (1½) times the employee's regular hourly rate for the extra shift worked.
 - (2) Where an employee is required to work a portion of an extra shift, for the purpose of relieving another employee who has been given leave of absence to attend any course of instruction away from the employee's regular place of work, or who is attending a meeting of an administrative nature, the relieving employee shall, at the option of the City, receive either an amount of time off equivalent to one and one-half (1½) times the number of extra hours so worked or pay at the rate of one and one-half (1½) times the employee's regular hourly rate of pay for such extra hours. Under this Section 4.3(b)(2), any period of work which immediately follows, or which immediately precedes the relieving employee's regular shift, will not be subject to any minimum period of compensation; and any other period of work will be subject to a minimum of three (3) hours at the rate of time and one-half.

(c) Overtime pay for all employees shall be computed as follows:

$$\frac{\text{Monthly X 12}}{26.089} = \text{Bi-weekly Rate}$$

$$\frac{\text{Bi-weekly Rate}}{\text{Bi-weekly Hours}} = \text{Hourly Rate}$$

26.089 rate is derived as follows:

365¼ days (average over four years allowing for leap year) divided by 14 days.

4.4 Job Security

4.4.1 Seniority and Promotion

When making a promotion the City shall, subject to the needs of the service, promote on the basis of competence and ability to do the job in question and the seniority of the applicants for promotion.

4.4.2 Layoffs

In the event that it becomes necessary to lay off employees, the order in which employees are laid off shall be determined by their seniority.

4.4.3 Rights of Employees Promoted Out of the Bargaining Unit

In the event of an employee being promoted from a position for which the Union either had bargaining authority at the time of the promotion or subsequently obtained bargaining authority, to a position whether included in or excluded from the Union contract, and such employee being subsequently laid off or demoted, or voluntarily reverting to a position for which the Union has bargaining authority, the City shall have the right to place such employee in the position previously held by the employee or in any vacant position of equivalent or lower rank for which such employee is considered qualified. The employee, if so placed as the result of being laid off or demoted, or voluntarily reverting prior to the expiry of one (1) year in the position excluded from the Union's bargaining authority, shall suffer no loss of seniority and such seniority shall be the employee's total length of service with the Fire Department. In the event that the employee is laid off or demoted, or voluntarily reverts following the expiry of one (1) year in the position excluded from the Union's bargaining authority, then the employee's seniority shall be the employee's seniority accrued as at the date the employee became excluded from the Union's bargaining authority, plus the one (1) year in the excluded position.

4.4.4 Disability

Bona fide sickness, or disability resulting from an accident sustained in the course of the employee's employment, shall not constitute a ground for the discharge of any employee, provided that it is possible for such employee, in the opinion of the Medical Officer or Consultant of the City, upon recovery, to carry on duties in the fire service of the City, and, subject to the opinion of the said Medical Officer or Consultant, such employee shall continue in the position held by the employee prior to such sickness or accident.

4.5 Probation and Permanency

- (a) Each employee shall be considered to be employed on a probationary basis until the employee shall have completed twelve (12) months' service with the Fire Department. If such employee continues in the municipal fire service after twelve (12) continuous calendar months of service, the employee shall be considered to be on a permanent basis and annual vacation, seniority and benefits dated back to the hiring date in the Burnaby municipal fire service.
- (b) This probationary period shall be for the purpose of determining an employee's suitability for permanent employment. At any time during this period, employment may be terminated if it can be satisfactorily shown the employee is unsuitable for employment.
- (c) Suitability for employment will be decided on the basis of factors such as:
 - (1) quality of work
 - (2) ability to work harmoniously with others
 - (3) conduct
 - (4) ability to meet firefighting standards set by the City
- (d) Where a probationary employee is absent for ten (10) or more working days during the probationary period, the probationary period shall be extended by the total number of days absent with no loss of seniority.

4.6 Telephone

Every employee covered by this Agreement, shall have at all times at the employee's place of residence, and at the employee's own expense, a telephone in good working order.

4.7 Rules and Regulations of the City

All rules and regulations of the City and all instructions issued by the City which do not conflict with the provisions of this Agreement are approved and shall continue in force and effect during the currency of this Agreement or any extension thereof.

4.8 Rights, Privileges and Obligations of Employees

All rights, privileges and obligations of the employees shall continue except as altered herein.

4.9 Retirement

All employees shall be retired upon reaching the age of sixty (60) years.

4.10 Inquests or Inquiries

Whenever any employee because of the employee's position with the City is called upon to give evidence in any sort of inquest or inquiry which could or may result in an action against the City, the employee should attend the inquiry assisted by the City Solicitor. Such attendance during off-duty time shall be compensated at callout rates for a minimum of three (3) hours.

4.11 Employment Equity

The City and the Union agree with employment equity programs which will assist in the selection of the best possible candidate(s) while also staffing the Department in a manner which attempts to reflect the diversity of the community in which it operates.

5 PAY

5.1 Rates of Pay

- (a) The rates of pay shall be as set out in Schedule "A" of this Agreement. This schedule reflects rates effective 2020 January 01 – 2021 December 31 inclusive.
- (b) All employees shall be paid by electronic direct deposit.
- (c) Each employee may request, at any time, on a form provided by the City, to have their pay split and have their direct deposit directed into multiple bank accounts of their choice. Subsequent disposition of the funds so deposited shall be at the discretion of the employee.

5.2 Pay for Acting Senior Capacity

- (a) Any person covered by this Agreement who is assigned the responsibilities and carries out the duties incidental to a position or rank senior to that which the employee normally holds shall be paid at the rate for the senior position or rank while so acting.
- (b) When acting in such higher capacity for a minimum of thirty (30) days prior to vacation, such person shall receive the higher rate of pay for vacation pay. If an employee is acting and has been acting for a continuous period of fifteen (15) duty shifts prior to vacation or sickness, such person shall receive the higher rate of pay for vacation pay or sickness pay, whichever applicable. Increments shall be granted for acting service after the accumulation of one year's service in the acting rank.

- (c) Employees working flexible hours or compressed hours as described in Sections 4.1(b) and (c) shall receive acting pay only for authorized leave of absence.

6 VACATIONS AND STATUTORY HOLIDAYS

PROVIDED HOWEVER, when an employee who is entitled to additional leave under this section elects to take such leave, the employee shall make application to the Fire Chief within thirty (30) calendar days following the annual release each May of the memo titled "annual vacation/long service request" for the employees by the Department, stating the period when the employee will be absent on leave; any application for additional leave may be amended or changed by the applicant within the prescribed thirty (30) calendar day period; any application for additional leave or any application to amend or change any application for additional leave made following the expiration of the prescribed thirty (30) calendar day period may be refused by the Fire Chief if, in the Fire Chief's opinion, the exigencies of the Department necessitate such refusal, but such applications shall not be unreasonably refused by the Fire Chief.

6.3 Entitlement on Termination

Employees who leave the service after completion of twelve (12) consecutive months of employment shall receive vacation for the calendar year in which termination occurs on the basis of one-twelfth (1/12) of their vacation entitlement for that year for each month or portion of a month greater than one-half (½) worked to the date of termination.

PROVIDED THAT:

- (a) "Calendar Year" for the purpose of this Agreement shall mean the twelve (12) month period from January 1st to December 31st inclusive.

- (b) In all cases of termination of service for any reason other than retirement on pension or on attaining maximum retirement age, adjustment will be made for any overpayment of vacation.
- (c) Employees leaving on pension or upon leaving at reaching maximum retirement age are entitled to vacation as follows:
 - (1) If retiring prior to March 31st, they receive half of the usual annual vacation.
 - (2) If retiring March 31st or later, they receive full annual vacation.

6.4 Statutory Holidays

- (a) All Firefighting Division employees who have completed twelve (12) months' continuous service by December 31st shall receive in each calendar year in lieu of the twelve (12) statutory holidays set forth in Section 6.4(c) time equivalent to twelve (12) duty shifts and in addition thereto shall receive time equivalent to one (1) duty shift in lieu of any other statutory holiday declared by the City, the Government of the Province of British Columbia or the Government of Canada, to which employees covered by this Collective Agreement are entitled.

EXCEPT THAT:

- (1) Any Firefighting Division employees shall receive regular pay equivalent to one (1) duty shift in lieu of each of the twelve (12) statutory holidays set forth in Section 6.4(c) which occur during their first twenty-four (24) months of service; in addition thereto, such employees shall receive regular pay equivalent to one (1) duty shift in lieu of any other statutory holiday declared by the City, the Government of the Province of British Columbia or the Government of Canada, to which employees covered by this Collective Agreement are entitled.
- (2) Any Firefighting Division employees who leave the service on pension or upon reaching maximum retirement age shall receive time equivalent to one (1) duty shift in lieu of each of the twelve (12) statutory holidays set forth in Section 6.4(c) which occur during their period of service in the calendar year in which they retire and, in addition thereto, such employees shall receive time equivalent to one (1) duty shift in lieu of any other statutory holiday declared by the City, the Government of the Province of British Columbia or the Government of Canada, to which employees covered by this Collective Agreement are entitled and which occur during their period of service in the calendar year in which they retire.

- (b) Any Firefighting Division employee except those set forth in Section 6.4(a) who is required to work on any of the statutory holidays listed in Section 6.4(c) below shall, in addition to the entitlement set forth in Section 6.4(a), receive a payment in cash at the rate of fifty percent (50%) of the employee's regular hourly rate for each of the hours during which the employee is on duty on such statutory holiday between the hours of 00:01 h and 23:59 h. It is understood that it is work performed on such statutory holiday (as opposed to work performed on any day which may be proclaimed in lieu of the statutory holiday) which attracts the premium set out in this Section 6.4(b).
- (c) Employees engaged in work other than the Firefighting Division, shall be entitled to a holiday with pay on the following statutory holidays, namely: New Year's Day, Family Day, Good Friday, Easter Monday, Victoria Day, Canada Day, British Columbia Day, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day or any other day declared to be a statutory holiday by the City, the Government of the Province of British Columbia or the Government of Canada.

The proper interpretation of this section in cases where a statutory holiday occurs during a period when an employee is in receipt of sick leave benefits shall be governed by the terms of paragraphs 5, 6 and 7 of the Memorandum of Agreement dated 1979 December 04 which is attached as Schedule "F" in the 1995-96 Collective Agreement.

PROVIDED THAT:

Day Proclaimed in Lieu of Saturday or Sunday

Whenever one of the above-mentioned statutory holidays falls on a Saturday or a Sunday and the Government of Canada and the Government of the Province of British Columbia, or either of them in the absence of the other, proclaim that such statutory holiday be observed on a day other than Saturday or Sunday, then the day so proclaimed shall be read in substitution for such statutory holidays.

SAVE AND EXCEPT THAT:

No Day Proclaimed in Lieu of Saturday or Sunday

Whenever one of the aforementioned statutory holidays falls on a Saturday or a Sunday and neither the Government of Canada nor the Government of the Province of British Columbia proclaims that such statutory holiday be observed on a day other than Saturday or Sunday, or the proclamations of such governments do not proclaim the same day for the observance of such statutory holiday, then not less than seven (7) calendar days prior to that statutory holiday the City shall post a notice or notices in conspicuous places so that each employee affected thereby may have ready access to and see the same, designating the employee's holiday entitlement in accordance with one of the following methods:

- (1) one day's pay at the employee's regular rate of pay, or

- (2) a holiday with pay within the calendar year in which such statutory holiday falls, on any normal working day which immediately precedes or immediately follows on the employee's normal rest days or one of the statutory holidays hereinbefore defined in Section 6.4(c).

6.5 Statutory Holidays and Vacations for Recruits

In lieu of the annual and statutory holiday entitlements accrued during their first part calendar year of service by newly hired Firefighters pursuant to this Section 6, such entitlements may, at the option of the Department, be converted to cash and be paid to such employees following December 31 of that calendar year.

6.6 Scheduling of Statutory Holidays and Leaves

A Committee comprised of representatives of both the City and the Union will be instituted in order to consider and recommend upon a method of scheduling annual, long service leaves and statutory holidays in an equitable manner, it being understood and agreed that any improvement which might be recommended by the Committee, shall be subject to the approval of the Fire Chief and subject also to the ability of the City to implement such recommendation without additional cost to the City.

6.7 Lengthy Absence from Duty

Any employee absent from duty for a period of four (4) months or more due to sick leave or WorkSafeBC, may at the option of the City, receive payment for all annual vacation and statutory holiday entitlement scheduled during such period of disability.

As per the current practice, every attempt will be made by the City to schedule annual vacation and statutory holiday entitlement provided the City shall not incur any overtime costs as a result of scheduling the annual vacation and statutory holiday entitlements.

This section does not apply to those employees retiring on pension.

The City may also require an employee to attend an Independent Medical Examination.

- (b) The City will pay the first day or part day of time loss due to an occupational injury at regular gross pay.
- (c) Time loss from the second day onwards will be paid in an amount which will achieve the member's regular after-tax "take-home" pay, as follows:
 - (1) A tax-free amount from the STSA fund of the Society equivalent to the amount payable by WorkSafeBC to the employee. WorkSafeBC payments shall be assigned by the member to the Society.
 - (2) A taxable supplement, payable by the Employer, which, when added to the amount calculated in Section 7.6(c)(1), will achieve the member's regular take-home pay.
 - (3) During the period of disability, applicable Employer/employee benefit contributions will continue to be made by the Employer/employee, and Pension contributions will be based on the regular wage or salary rate of the member.

- (4) Should WorkSafeBC not accept a member's claim, then the total time loss period shall be treated retroactively as a sickness and the provisions of Section 7.5 shall apply with appropriate adjustments being made in payments made to the member.

7.7 Group Life Insurance

Employees shall be entitled to coverage immediately following completion of six (6) months of continuous service as follows:

- (a) Group Life Insurance, calculated on the basis of two times (2x) regular gross earnings (minimum of \$50,000), following the completion of six (6) months of continuous service.

- (b) Premiums to be paid 100% by employees by payroll deduction at rates that are competitive with market rates. Premium levels shall be reviewed annually by the City. Premium levels are subject to change by the Carrier upon appropriate written notice.
- (c) Premium rates are based on employee's or spouse's age on their last birthday and are set on a Biological Sex and Smoker/Non-smoker basis.
- (d) Evidence of insurability to require a short form questionnaire. A medical examination may be required.
- (e) Spousal coverage will be available whether or not the employee participates, on the same terms as for the employee.

7.9 Supplementary Compensation for a Firefighter Killed in the Course of Duty

If an employee is killed as a direct result of the performance of the employee's duties in the preservation of life and property in active firefighting including investigations and inspection work and approved firefighting training and other assigned duties, a monthly supplement will be paid to the surviving spouse to bring their after-tax income from WorkSafeBC, Canada Pension and Municipal Pension and any other source of income not personally contracted for by the deceased employee to an amount equal to the employee's regular net take-home pay, i.e. the regular monthly rate of pay of the deceased employee less normal deductions, such payment to continue until such time the surviving spouse remarries or until the date the deceased employee would have been entitled to Municipal Pension at maximum retirement age, as defined by the Public Sector Pension Plans Act, had the employee not been killed, whichever date shall first occur, provided:

- (a) The regular monthly rate of pay shall be that for the class of position held by the employee on the date of the employee's death or pending at the time of the employee's death and shall not include acting or temporary positions. When calculating the rates of pay of the employee, overtime rates of pay, shift differential, service pay and any other premium payments, allowances or benefits shall not be included.
- (b) The normal deductions shall include income tax, CPP, EI, pension (basic and supplemental), Union dues, sick plan premium and any other deduction which may be included in subsequent agreements.
- (c) The supplement shall be recalculated annually in consideration of the indexing of WorkSafeBC, CPP and pension and the changes occurring in revisions to the Collective Agreements.
- (d) In the event the surviving spouse is under 40 years of age and is without dependent children, for the purposes of calculating the supplement, the WorkSafeBC lump sum payment on the death of their spouse shall be divided by the years from the date of the employee's death to the employee's maximum retirement date if the employee had lived.
- (e) In the event there is no surviving spouse and there are dependent children, or upon the death of the surviving spouse subsequent to the death of the employee who leaves dependent children, the supplement shall be calculated as follows:

One child - a sum sufficient to bring the after-tax income of the child to 1/3 of the difference between the regular monthly pay of the deceased employee and the employee's normal deductions, further abated by WorkSafeBC, CPP and pension and other sources not contracted for by the deceased employee.

Two or more children - as above except at the rate of 50%.

- (f) For the purposes of Sections (d) and (e), a dependent child shall mean:
 - (1) A child under the age of 18 years, including a child of the deceased employee yet unborn

A calculation of the pension due to the surviving spouse shall be made on the date the deceased employee would have been entitled to a pension at maximum retirement age, had the employee lived. From that date the City shall supplement the surviving spouse's income from WorkSafeBC, CPP, pension and any other sources as referred to herein, to bring the surviving spouse's income to the level of the pension calculation referred to less income tax on that sum.

Where an employee makes arrangements to continue benefits coverage all benefits named in this paragraph shall continue.
- (2) Pension contributions will cease during the period of the leave. If an employee is eligible to buy back this service, the buy back will occur in accordance with the Municipal Pension Plan Rules.

- (3) The SEIB Plan is intended to supplement the Employment Insurance benefits received by employees while they are temporarily unable to work as a result of giving birth, or as provided for in Paragraph (2) above.
- (4) The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and ninety-five percent (95%) of their gross weekly earnings and is paid as follows:
 - (a) For the first six (6) weeks, which includes the one (1) week Employment Insurance waiting period); and
 - (b) Up to an additional eleven (11) weeks will be payable if an employee continues to receive Employment Insurance benefits and is unable to work due to a valid health reason related to the birth and provides the Employer with satisfactory medical evidence.
- (5) The Plan meets the requirements of Section 38 of the Employment Insurance Regulations, specifically that, when combined with an employee's weekly Employment Insurance benefit, the payment will not exceed the claimant's normal weekly earnings from employment and an employee's accumulated leave credits will not be reduced.
- (6) Income tax rules or regulations may require a payback of Employment Insurance earnings depending upon the tax rules in effect at the time an employee is receiving benefits. Under the SEIB Plan, the Employer does not guarantee any specific level of earnings but is liable only for the payment of the benefit as described above. The Employer, under no circumstance, will be responsible for any paybacks arising from changes to or the application of the tax regulations.

The Corporation and the Union agree as follows:

The following is item 13 of the Memorandum of Agreement (herein referred to as the "Memorandum of Agreement"), dated 1979 August 03 and entered into between the bargaining representatives of the Corporation and the bargaining representatives of the Union.

13. The parties agree to establish a joint committee which will include among its members both the Municipal Manager and the President of the Union, and which will attempt to establish as soon as possible, and hopefully by 1979 December 31, a mutually satisfactory blue print for implementing a senior management training program in the Burnaby Fire Department.

The said joint committee will address its task initially by following guidelines set out in the letter dated 1979 July 12 from the Municipal Manager to Mr. Graham Leslie and the letter dated 1979 July 21 from Mr. Bill Copeland to the Municipal Manager, which letters are attached to this Memorandum of Agreement as Appendices "B-1" and "B-2", and form parts of the said Memorandum.

This is the **Appendix "B-1"** referred to in paragraph 13 of the Memorandum of Agreement dated the 3rd day of April, 1979 between the Corporation of the District of Burnaby and the Burnaby Firefighters' Association, I.A.F.F. Local 323.

CONFIDENTIAL

Mr. Graham Leslie, Director,
G.V.R.D. Labour Relations Department,
#10 - 4829 Kingsway,
Burnaby, B.C., V5H 2C8

Dear Graham:

Re: Management Training in Burnaby Fire Department

This will confirm our discussion with Director Nairn on Wednesday 1979 July 11 regarding the above. I asked that you attend the meeting so that we could place before you a proposal which we would like to present to Local 323.

The plan objective would be to negotiate with the Union a satisfactory plan for implementing a senior management training program in the Burnaby Fire Department which would place a strong emphasis on the management skills required for an operation of this size. I would hope that by the end of 1979 we could have in place a blueprint of the type of program that would be mutually acceptable to ourselves and the Union. This may well mean that Burnaby would have to move forward on its own to try to develop such a program. I would be prepared to accept the risks involved in such a move.

Obviously such a proposal will only be acceptable if the terms of reference can be mutually agreed upon by us and the Union. In this connection I would be prepared to personally commit my time to serve on a committee to conclude the blueprint by December 31 in 1979. I would make this commitment on the understanding that I would be assisted by Director Nairn and Chief-Fire Operations, H. Brown, and that the President of Local 323, Mr. Bill Copeland, would also give a personal commitment to serve on such a working committee.

This question comes up at this time because of my sincere desire to avoid the type of confrontation that we have faced in the past when having to replace senior people on retirement. We will have four Assistant Chiefs retiring within the next three years, and I wish to dedicate myself to ensuring that the existing staff will be given every opportunity to seek and obtain the qualifications that we are looking for in these positions.

In other words, what I would like to see happen is the following:

SCHEDULE "C" RESIDUAL ITEMS

1. Burnaby would clearly enunciate the requirements that we see as being needed to fill these positions.
2. Burnaby would encourage and give every assistance to those wishing to qualify for the positions, having due regard for length of service in the Fire Department.
3. The individuals concerned would exercise the initiative to obtain the qualifications involved.

What I would like to see happen is that Burnaby commit itself to the first two phases of such a philosophy, but the end result will only be possible if the individuals are prepared to exercise the initiative needed, and in this regard, clearly the support of the Union is required.

Burnaby is certainly prepared to accept its role in this process, and I would consequently be prepared to recommend to the Municipal Council whatever funding is required to actually implement training and development programs in the management area, even if it means that we must venture forth on our own. I stress that I am not looking at the technical skills that are required in such senior positions, and I am only addressing myself to the management skills. I would like to solicit the support of your office in implementing this program, and I would be prepared to accept your advice as to how you would recommend it be presented to the Local. I feel most strongly about my convictions in this area, and I believe that the time is now to move forward to attempt a mutually satisfactory resolution. I definitely would like to work directly with the Union in this connection.

Yours truly,

Melvin J. Shelley,
MUNICIPAL MANAGER

This is the Appendix "B-2" referred to in paragraph 13 of the Memorandum of Agreement dated the 3rd day of August, 1979 between the Corporation of the District of Burnaby and the Burnaby Firefighters' Association, I.A.F.F. Local 323.

Mr. M. J. Shelley
Municipal Manager,
Corporation of Burnaby,
4949 Canada Way,
Burnaby, B.C.

Dear Mr. Shelley;

Re: Senior Management Training Program, Burnaby Fire Dept.

This letter will serve to confirm that discussions were held on the above matter between Graham Leslie and Local 323, I.A.F.F. during our 1979 contract negotiations, at a meeting held 1979 July 13, during the meeting Mr. Leslie stated that you were willing to personally commit your time and talent to assist in drawing up a blueprint for a Senior Management Training Program, that would be mutually acceptable to the Corporation of Burnaby and the Union, Mr. Leslie also stated that you desired a commitment from the President of Local 323 to serve on such a Committee.

As a result of the foregoing discussions - we subsequently met in your office, Wednesday 1979 July 18, and you placed before me the following proposals and objectives,

1. Your plan would be - to negotiate with the Union a satisfactory plan for implementing a senior management training program within the Burnaby Fire Department.
2. The program would place strong emphasis on management skills required for a Fire Department the size of Burnaby's.
3. If possible a blueprint for this type of program (that is mutually acceptable to the Corporation and the Union) to be in place by the end of 1979.
4. Burnaby will if necessary move forward on its own to try to develop such a program, and accept the risks (expenses) involved in such a move.*

You further stated that the proposal will only be acceptable if the terms of reference can mutually be agreed upon by Management and the Union and that you would personally commit your time and expertise to draw up such a program.

SCHEDULE "C" RESIDUAL ITEMS

Responding to your request for my personal commitment to serve on a committee and give some guarantee of Union support for this program, I will give you the following indication of my support for your proposal.

Until a formal specific memorandum clearly defining the aims and objectives of the program has been drawn up, I will place myself under an obligation to obtain a commitment from the Executive and Membership of Local 323 to participate in establishing a Senior Management Training program.

Without going into details on such questions as seniority costs, course content, qualifying standards, etc., I will place before the executive and the membership your following commitment on behalf of Burnaby.

- (a) The requirements will be clearly enunciated.
- (b) Burnaby will encourage and give every assistance to those eligible and wishing to qualify for the positions, having due regard for their length of service in the Fire Department.
- (c) The individuals to be involved would give a commitment to exercise a certain degree of initiative to obtain the qualifications involved.

To summarize, I am willing to accept a role in this process and will recommend that Local 323 co-operate in developing a senior management training program.

I must express that a certain degree of cautious apprehension will undoubtedly surface on our part, for in the past more interest seemed to be shown by management in breaking our established seniority provisions than in dealing with the actual needs in the area of technical skills. I believe that you are sincere in your desire to see that the unhappy confrontation that we faced in the past can be avoided in the future, and that this proposal will lead to a more enriching job experience for our senior people, to this end I offer my pledge to work towards the achievement of this goal.

Yours truly,

Bill Copeland
Pres. Local 323

*Item 4 page 1 pertains to Burnaby going alone with the program if no suitable course is developed by the B.C. Fire Academy.

The details of the changes agreed to by the parties for the various components of the Plan are as follows:

DISABILITY INCOME

Short Term Sick Leave

The current Plan shall continue to apply without changes.

Medium Term Disability

100% for Firefighters of regular gross earnings, commencing from the expiry of STSL and continuing for a maximum period of 50 weeks.

SCHEDULE "D" LETTER OF INTENT RE: JOINT BENEFITS REVIEW COMMITTEE

Disability is defined as the inability to do their own occupation.

Long Term Disability

An employee in this category shall be considered disabled until he/she is engaged in an approved rehabilitation program or until he/she is in another occupation as described in sub-paragraph (2) or (3) below, but in no event will he/she be considered disabled in this category for a period longer than twenty-four (24) months from the commencement of his/her disability.
 - (2) he/she is engaged in an approved rehabilitation program. An employee in this category shall be considered to be disabled for a maximum of thirty-six (36) months from the commencement of his/her disability (which shall include any period of time in sub-paragraph (1) above).

In this event the employee will only be considered to be disabled as long as he/she engages in such other occupation in which event the earnings he/she receives shall be deducted from his/her benefits from the Plan. Such other occupation must be regular full-time employment or in the case of regular part-time employees, regular employment for the average monthly hours worked by the employee during the six (6) months previous to his/her date of disability, unless the nature of the disability medically prevents him/her from being so employed.

If an individual who qualifies for benefits based on employment in another occupation providing less than 67% of pre-disability regular gross earnings loses his/her employment through any conditions, except voluntary termination and termination for cause, the benefit shall be reinstated to the 67% level so long as he/she is actually seeking appropriate employment and subject to the requirement that no individual shall be entitled to more than six (6) months of total payment on an accumulated basis under this clause.

SCHEDULE "D" LETTER OF INTENT RE: JOINT BENEFITS REVIEW COMMITTEE

An employee who initially qualifies as disabled under paragraph (c) shall be eligible to qualify as disabled under paragraph (b) provided he/she satisfies the requirements of paragraph (b) prior to the cessation of disability as defined in paragraph (c).

Bodily sickness shall include:

Mental or nervous disorders. Where the disability period is in excess of twenty-four (24) months the employee must be confined to a hospital or mental institution or, where he/she is at home, under the direct care and supervision of a Physician in order to continue to be eligible for benefits.

Illness resulting from pregnancy and complications arising during or immediately following pregnancy including premature termination.

If an employee in receipt of Short Term Sick Leave or Medium Term Disability returns to full-time employment then:

- (a) if he/she becomes disabled from a different cause he/she shall be entitled to all disability benefits provided under the Plan regardless of how short the period of his/her return to employment
- (b) if he/she becomes disabled as a result of a recurrence of the original disability then:
 - (1) his/her disability will be considered to be a new disability if it occurs sixty (60) or more calendar days after he/she has returned to work.
 - (2) his/her disability will be considered to be a continuation of his/her original disability if it occurs within sixty (60) calendar days of his/her return to work.

The period of time for which benefits are payable under the Medium Term Disability Plan on an own occupation basis and the terms and conditions on which Long Term Disability benefits are paid for Exempt employees shall be considered with the terms of this Letter of Intent.
