BETWEEN:

THE PORT MOODY POLICE BOARD
(hereinafter called the "Employer")

OF THE FIRST PART

AND:

THE PORT MOODY, DISTRICT 43, POLICE SERVICES UNION
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Port Moody Police Board is an employer within the meaning of the Labour Relations Code, being Chapter 244 of the Revised Statutes of British Columbia, 1996;

AND WHEREAS as a result of collective bargaining the parties hereto have concluded the Collective Agreement hereinafter appearing which shall constitute the wages and working conditions of the employees in the above noted bargaining unit.

The Employer and the Union agree as follows:

1. **DEFINITIONS**

The terms defined in this Section 1 for all purposes of this Agreement, unless otherwise specifically provided herein, have the meanings hereinafter specified. The terms herein defined are:

- (a) "Board" means the Port Moody Police Board;

- (d) "employee" means a member of the Department covered by the Union's certificate of bargaining authority;
- (e) "Employer" means the Port Moody Police Board in its capacity as an employer; and
- (f) "Union" means the Port Moody, District 43, Police Services Union.

2. TERM OF AGREEMENT

This Agreement shall be for a term of two (2) years with effect from 2023 January 01 to 2024 December 31, both dates inclusive.

It is understood and agreed between the Employer and the Union that the operation of Subsections (2) and (3) of Section 50 of the Labour Relations Code are hereby excluded from and shall not be applicable to this Agreement.

3. UNION MEMBERSHIP AND DUES

Membership

All persons employed shall apply to the Union to become members thereof by the first (1st) day of the month immediately following completion of thirty (30) calendar days of employment. All employees shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues that all other members of the Union are required to pay to the Union nor shall any employee be deprived of employment by reason of the refusal of the Union to admit such employee to membership in the Union.

Dues

All employees covered by the Union's Certificate of Bargaining Authority shall pay to the Union an amount equal to the Union's dues, and any general, bargaining unit-wide assessment(s), such payments to be made by payroll deduction. This deduction shall become effective on the first day of the month coincident with or next following the date of appointment; but the deduction shall be made only if the employee is still in the employ of the Employer on the final day of the first pay period in that month. Deductions shall be made in respect of all subsequent months provided an employee works any part of the month. These arrangements shall remain in effect for so long as this Union remains the recognized bargaining agent.

4. REMUNERATION

4.1 Pay Schedule

The scale of remuneration set out in Schedule "A" annexed hereto shall apply during the term of this Agreement.

5. PAY FOR ACTING SENIOR CAPACITY

- (a) An employee who has been duly appointed by the authority of the Chief Constable to perform temporarily the duties of a rank higher than the employee's confirmed rank shall be paid at the appropriate rate for the senior rank for all hours the employee performs such duties after being so appointed.
- (b) An employee who has been duly appointed by the authority of the Chief Constable to provide course instruction shall be paid at the appropriate rate for the senior rank for each hour the employee is appointed to provide such course instruction.

6. SPECIAL ALLOWANCES

6.1 Clothing Allowance

- (a) Every uniformed employee shall be issued on an as-required basis at the discretion of the Chief Constable the following items of uniform: tunic, trousers, skirts, overcoats, caps, waterproof clothing, briefcase (recruits only), boots, ties, gloves, shirts, t-shirts and socks. The last issue of such items shall remain the property of the Employer. A refusal of issue may be appealed through regular grievance procedure as outlined in Section 14 of this Agreement.
- (b) Style and character of the uniform and equipment issued to the employees shall be at the discretion of the Employer. The Union shall be afforded the opportunity of meeting with the Chief Constable or an officer designated by the Chief Constable for the purpose of communicating the views of the Union with respect to the style and character of the uniforms. Prior to a change being made in the style or character of the uniforms, the Union will be advised of the proposed change and afforded an opportunity of considering the proposed changes and meeting with the Chief Constable or an officer designated by the Chief Constable for the purpose of making representations with respect to the proposed changes.
- (c) All damage to clothing and equipment incurred in the course of duty shall be assumed and made good by the Employer upon the recommendation of the Chief Constable.
- (d) Effective 2024 May 14:
 - (i) All employees who are required to provide and wear civilian clothing as a part of their regular duties shall be reimbursed by the Employer for expenses incurred in the purchase of such clothing. Such reimbursement shall be in an amount not to exceed one thousand five hundred dollars (\$1,500.00) per annum, which amount shall be prorated in the instance of an employee completing a part year of service wherein the employee is required to wear civilian clothing as a part of the employee's regular duties.
 - (ii) All employees granted clothing allowance on a temporary or intermittent basis shall be paid in lieu of the clothing mentioned in Section 6.1(a) the sum of five

dollars and sixty-eight cents (\$5.68) for each day such employees are required to work in civilian clothes.

- (e) The Employer shall provide cleaning services to all employees granted a permanent clothing allowance, with the following maximums:
 - one (1) shirt per working day;
 - one (1) pair of pants/skirt per week;
 - one (1) sport or suit jacket every two (2) weeks; and
 - one (1) overcoat every month.
- (f) The Employer shall provide cleaning services to all employees who are required to wear a uniform in the performance of their duties, with the following maximums:
 - one (1) uniform shirt per working day;
 - one (1) pair of uniform pants per week;
 - one (1) uniform tunic every two (2) weeks; and
 - one (1) storm coat every month.
- (g) Each employee shall be entitled to be issued a protective vest and the Employer shall pay one hundred percent (100%) of the cost thereof. The selection of a standard style and make of protective vest shall be made by the Employer. The protective vest shall remain the property of the Employer.
- (h) It is understood that employees absent on either sick leave or Workers' Compensation benefits for a period in excess of four (4) consecutive weeks shall not be entitled to the benefits provided pursuant to Subsections 6.1(d), 6.1(e) and 6.1(f) for the duration of such absence.

6.2 Educational Fund

- (a) A Police Educational Fund has been established to financially assist employees of the Department who are interested in furthering their education by enrolling in approved courses.
- (b) An approved course will be officially classified as such when, in the opinion of the Chief Constable, the Department will materially benefit from the course, and such benefit will be derived within a reasonable time.
- (c) Applications for financial assistance will be received from employees of the Department holding the rank of First Class Constable or higher.
- (d) Employees wishing to take advantage of this Fund will, prior to enrollment in any course, make application in writing to the Training Officer, who will refer same to the Training Board together with relevant documents. The Chief Constable will consider the Training Board's recommendations and rule on the acceptability of the course.
- (e) Tuition fees will be paid in the first instance by the employee. With respect to courses involving a final examination, the Employer will reimburse the employee for the tuition

fees upon the employee submitting evidence of successful completion of the course. With respect to courses not involving a final examination, the Employer will reimburse the employee for tuition fees upon the employee producing written proof from the Course Administrator certifying a minimum eighty percent (80%) attendance, and a satisfactory completion of such course.

- (f) Applications for reimbursement of tuition fees shall be submitted to the Training Officer, accompanied by receipts and statements of marks attained, or a letter from the Course Administrator as required for submission to the Training Board. Applications for reimbursement must be submitted within six (6) months of course completion.
- (g) Employees who are financially assisted by this Fund are expected to remain in the service of the Department for five (5) years following completion of any approved course.

Tuition fees paid by the Department may be recovered if an employee resigns, or is discharged from the Department within five (5) years of the completion of such a course.

- (h) The Union shall be afforded the opportunity of meeting with the Chief Constable or an officer designated by the Chief Constable for the purpose of communicating the views of the Union with respect to the operation of the Educational Fund. Prior to a change being made in the operation of the Educational Fund, the Union will be advised of the proposed change and afforded an opportunity of considering the proposed change and meeting with the Chief Constable or an officer designated by the Chief Constable for the purpose of making representations with respect to the proposed change.

6.3 Shift Differentials

An employee who works between 1800 hours and 0600 hours on any day shall be paid a shift differential premium of one dollar and fifty cents (\$1.50) per hour for all time that the employee is required to work during that period.

Shift differential premium payments shall not be included when calculating overtime rates under this agreement, but shall be included as earnings for the purpose of calculating Municipal Pension Plan contributions.

6.4 Occupational First Aid

Effective 2024 May 14:

Employees who are required by the Employer to perform first aid duties in addition to their normal duties and who hold a valid Workers' Compensation Board Occupational Health and Safety First Aid Level II Certificate shall be paid a premium of one hundred twenty-five dollars (\$125.00) per month or eighty cents (\$0.80) per hour. The Employer will pay course fees for the OFA Level II course for employees who are required to have such certification.

7. OVERTIME

7.1 Calculation of Overtime

For the purposes of this Section 7

- (a) "compensation" means payment or time off in lieu of payment, and "compensated" shall have a similar meaning; and
- (b) "scheduled CTO" means scheduled cumulative time off.

Any overtime incurred under Sections 7.3 and 7.4 (except as otherwise provided in Section 7.4) shall be calculated on the basis of the number of hours' overtime worked multiplied by one (1), one and one-half (1½) or two (2) as the case may be and the result shall be taken to the nearest hour.

7.2 Election Respecting Compensation

- (a) Subject to the provisions of Section 7.9 respecting the accumulation of overtime, every employee who is entitled to compensation pursuant to Sections 7.3 to 7.7 and paragraphs 8.2(b) and 8.2(c) shall elect either to be paid or to receive time off in lieu thereof, provided that in respect of working overtime or on a public holiday, the election shall be made at the time such compensation is earned, and in respect of compensation pursuant to paragraph 8.2(c), the election shall be made as soon as reasonably possible.
- (b) Time off in lieu of payment for overtime shall be taken by the employee entitled thereto at a time which is mutually acceptable to the employee and the Employer.
- (c) Notwithstanding the above, employees required to work pursuant to Section 7.3 and 7.4 as a result of events for which the Employer recovers costs from a third party, shall not be entitled to elect to receive time off in lieu of payment.

7.3 Extended Tour of Duty

- (a) An employee who is required immediately following completion of a shift to work overtime of one-half (½) hour or more in excess of eight (8) consecutive hours of regular police work (for purposes of this Subsection 7.3 only to be deemed to be inclusive of the minimum fifteen (15) minutes preceding shift start time that an employee is required to report for duty) shall be compensated at the rate of one and one-half times (1½X) the hourly rate of such employee, computed on the basis of the employee's regular working hours, for the first two (2) consecutive hours of overtime worked by the employee and at the rate of double (2X) the hourly rate computed as aforesaid, for all hours worked by such employee in excess of ten (10) consecutive hours of regular police work.

The overtime worked by an employee to which the provisions of this Section 7.3 are applicable is in this Agreement referred to as "extended tour of duty".

- (b) Effective 2024 May 14, when an employee is assigned an additional patrol or special duty shift that immediately follows a regular shift or an extended tour of duty, that

additional patrol or special duty shift shall be treated as a callout and not as extended tour of duty.

(c) Cancellation of Leaves

The Employer agrees that it shall make every reasonable effort to ensure that overtime leaves previously granted to employee(s) shall not be cancelled.

7.4 Callouts

Effective 2024 May 14, for the purposes of this Agreement, a callout shall be when an employee is required by a Supervisor to begin a shift other than during the employee's regular detailed working hours.

- (a) If an employee is required to return to work on a regular day off such employee shall be compensated at double (2X) the employee's regular hourly rate of pay for each such hour worked or for three (3) hours at double (2X) the employee's regular hourly rate of pay, whichever is the greater.
- (b) If an employee is required to return to work on a regular work day, such employee shall be compensated at double (2X) the employee's regular hourly rate of pay for each such hour worked or for three (3) hours at double (2X) time whichever is the greater. The three (3) hour minimum shall not apply when an employee is called out within three (3) hours of the start of a shift. Instead, the employee shall be paid at double (2X) time until the start of the shift.
- (c) If an employee is required to report for work during such employee's annual leave, the employee shall be compensated at the rate of a minimum of twenty (20) hours for each day so called out.
- (d) Where an employee is required to stand by such employee shall be compensated at the rate of three (3) hours' straight time for the time which the employee is required to stand by in any twenty four (24) hour period between 12 o'clock midnight of any given day and 12 o'clock midnight of the following day and if an employee is called out while on standby such employee shall be compensated for such callout as provided in paragraph 7.4(a) or 7.4(b) (whichever paragraph is applicable) in addition to the employee's standby compensation.

7.5 Change in Shift Length

An employee who is required to work on a scheduled shift that is longer in duration than their regularly scheduled shift shall be compensated as follows:

- (a) At double time (2X) their regular hourly rate for each hour prior to their normal shift start time;
- (b) At one and one-half times (1½X) their regular hourly rate for the first two (2) hours after their regularly scheduled shift end time;

- (c) At double time (2X) their regular hourly rate for any hours in excess of two (2) hours after their regularly scheduled shift end time.

Overtime hours worked under this provision shall be subject to Article 7.2(c)

7.6 Investigative Phone Calls

In the event that an employee while off duty receives a telephone call from the Employer of one (1) hour or less which results in a work requirement but does not require attendance at a work site which is related to an investigation and, at the direction of a supervisor is required to create a General Occurrence Report, supplement a General Occurrence Report, or create some other substantial documentation in relation to the investigation, then such employee shall be entitled to one and one-half (1½) hours' compensation. In the event a call under this provision results in a work requirement which goes beyond one (1) hour they shall be paid two times (2X) their regular hourly rate for the time spent beyond the first hour performing work. It is understood that phone calls of an administrative nature shall not trigger this provision unless the call is of a prolonged nature in response to a significant operational necessity. In such cases, claims are subject to the approval of the Inspector in charge of the Section to which the employee is assigned. Claims for compensation under this provision are subject to approval by the employee's supervisor.

In the event a call, which meets the criteria described above, is initiated from a source outside of the Department (such as Crown Counsel, witnesses or informants) then claims for compensation under this provision are subject to approval by the Inspector in charge of the Section to which the employee is assigned.

Where an employee is on standby pursuant to Section 7.4(d), the employee is not entitled to claim compensation under this Section 7.6 unless the call (or calls) meets the criteria for entitlement described above and is (are) for a duration (or cumulative effect) of longer than one-half (½) hour.

7.7 Court Time Schedule/Denotification

A. Definitions

In this Section 7.7, the word "Court" means:

- (1) a Court of Criminal or Civil jurisdiction including Traffic Hearing Rooms;
- (2) where arising out of Part 1 of the Police (Discipline) Regulations, a Disciplinary Hearing, an appeal hearing before the Board or an appeal hearing before the B.C. Police Commission;
- (3) an inquiry held by the Board pursuant to Section 60 of the Police Act, an inquiry held by the B.C. Police Commission pursuant to Section 65 of the Police Act, or the Judicial Review Procedures Act; and
- (4) where specifically approved by the Chief Constable or where the employee is obliged to attend by way of subpoena, any other tribunal (whether in Canada or

elsewhere) acting in a judicial or quasi-judicial capacity whether in criminal, civil or administrative matters except a tribunal seized of labour relations matters involving the Employer, the Union or the employees covered by the Union's certificate of bargaining authority. (Note: It is the specific intent of this paragraph (4) to exclude attendance at hearings conducted by the Labour Relations Board, boards of arbitration, Industrial Inquiry Commissions or any other tribunals in those cases where the Union or the employees covered by its certificate of bargaining authority are parties to the matters before the tribunal.)

Except as otherwise provided in Section 7.7(F), an attendance at Court includes interviews with Prosecutors in the preparation of cases.

B. Court Times

Court times shall be considered as:

Morning Session	1000 hours to 1230 hours
Afternoon Session	1400 hours to 1630 hours

Any advance or retarding of Court start hours will also be considered to equally advance or retard the Court end time, and similarly advance or retard the following applicable collective agreement provisions: Sections 7.7(C)(b), 7.7(F)(b), and 7.7(F)(c).

C. Court Compensation Schedules

(a) Compensation for attendance at Court by an employee while not on duty, and where the employee's attendance is for the purpose of giving evidence which was acquired in the performance of the employee's police duties, shall be allowed in accordance with the following schedule.

- (1) For attendance at Court following Day Shift:

Afternoon Session	Four (4) hours
-------------------	----------------
- (2) For attendance at Court while on Afternoon Shift:

Morning Session	Four (4) hours
Afternoon Session	Three (3) hours
- (3) For attendance at Court while on Midnight Shift:

Morning Session	Six (6) hours
Afternoon Session	Four (4) hours

except that if an employee attends Court at an Afternoon Session only, the employee shall be allowed six (6) hours' compensation instead of four (4) hours.

For the purpose of calculating overtime compensation, all shifts finishing later than 0015 hours shall be considered Midnight Shift.

(4) For attendance at Court on day off, the following provisions shall apply:

Morning Session	Eight (8) hours
-----------------	-----------------

Afternoon Session	Six (6) hours
-------------------	---------------

except that if an employee attends Court at an Afternoon Session only, the employee shall be allowed eight (8) hours' compensation instead of six (6) hours.

- (b) In the event that an employee attends a Court session which commences on or after 1630 hours, and such attendance follows an earlier afternoon session attendance as in sections C(a)(1), C(a)(2), C(a)(3) or C(a)(4) above, then such appearance shall be compensated as an additional attendance in accordance with the appropriate premium designated for such afternoon Court session.
- (c) Notwithstanding the above, any interview or Court which falls one (1) hour or less prior to a working shift shall be allowed two (2) hours' compensation.
- (d) Where an employee is required to attend a morning session of a Court and to remain in attendance at that Court after 1300 hours but is not required to attend an afternoon session of a Court on the same day, then in addition to the compensation allowed for attending at the morning session as hereinbefore provided the employee shall be entitled to further compensation of one (1) hour.

D. Relief From Duty

- (a) When an employee detailed for the midnight shift is required to attend Court, the employee shall, when practicable, be granted the night off prior to attending Court. If attendance of such an employee is not required at the afternoon session, having already been granted eight (8) hours off, two (2) hours will be deducted from the employee's accumulated overtime. When it has not been practicable to grant an employee time off prior to attending Court and the employee is required to attend morning and afternoon sessions, the employee shall notify their superior prior to 1700 hours when the employee will be allowed the same night off.
- (b) When an employee detailed for the afternoon shift is required to attend both morning and afternoon sessions of Court, such attendance, when practicable, shall be deemed to be such employee's tour of duty. Failing this arrangement, the employee shall be granted compensation in accordance with the schedule as set out herein.

E. Court Attendance While on Annual Leave

- (a) Annual Leave for all Court claim purposes includes all overtime leave, compensating time off and weekly leave scheduled in conjunction with Annual Leave at the time of Annual Leave sign-up.
- (b) If an employee is required to attend Court while on annual leave, compensation therefore will be on the basis of twenty (20) hours for each day or part of a day of required attendance. Interviews preceding Court on annual leave shall be compensated in accordance with 7.7(F).
- (c) Any employee who receives notification that they will be required to attend Court during the employee's annual leave shall immediately notify the Chief Constable or designate.
- (d) The Chief Constable or designate shall in the first instance undertake every reasonable effort to secure a rescheduling of such employee's attendance to a date outside of the employee's period of annual leave.
- (e) In the event of failure to secure such rescheduling of an employee's attendance, the Chief Constable or designate shall endeavour to reschedule the employee's annual leave, provided that any such rescheduling of annual leave shall be effected only by mutual consent of the employee and the Chief Constable or designate.
- (f) In the event of failure to reschedule an employee's annual leave, the Chief Constable or designate shall be authorized to make arrangements and, when possible, to pay an amount in advance in order to cover the return travel expenses and other related expenses which the Chief Constable or designate deems to be reasonable and sufficient. Such an amount shall be paid to any employee who is required to travel from a point outside the boundaries of the Metro Vancouver Regional District other than the employee's place of residence in order to attend Court, provided that the employee returns to the same or equivalent point at the conclusion of the employee's attendance at Court.
- (g) Any employee who is required during such employee's annual leave to travel to attend Court from a point outside the boundaries of the Metro Vancouver Regional District shall be entitled to receive time off on the basis of eight (8) hours of each half day or part thereof occupied by such traveling, provided that no such entitlement shall accrue with respect to any day for which the employee receives compensation for attendance at Court. For the purpose of this paragraph, 12 o'clock noon marks the dividing line between the first (1st) and second (2nd) halves of any day.

F. Prosecutor's Interviews

- (a) Where an employee is required to attend a Prosecutor's interview immediately following the completion by the employee of the employee's regular day shift in preparation for a case to be heard in a Court of criminal jurisdiction at which the

employee is to give evidence as a witness, the employee shall be entitled to four (4) hours' compensation.

- (b) When the morning session of a Court of criminal jurisdiction commences at 1000 hours and an employee is required to attend a Prosecutor's interview on the same day such Court is held and at which the employee is to give evidence as a witness, the employee shall be entitled to compensation for such attendance upon the Prosecutor as follows:

- (1) for attendance at 0830 hours the employee shall be entitled to two (2) hours' compensation;
- (2) for attendance at 0900 hours the employee shall be entitled to one and one-half (1½) hours' compensation;
- (3) for attendance at 0930 hours the employee shall be entitled to one (1) hours' compensation.

PROVIDED HOWEVER, if the Court appearance is canceled by the Prosecutor prior to 1000 hours the employee will be eligible to receive the Court attendance compensation only;

- (c) When the afternoon session of a Court of criminal jurisdiction commences at 1400 hours and an employee is required to attend a Prosecutor's interview on the same day such Court is held and at which the employee is to give evidence as a witness, the employee shall be entitled to compensation for such attendance upon the Prosecutor as follows:

- (1) for attendance at 1230 hours the employee shall be entitled to two (2) hours' compensation;
- (2) for attendance at 1300 hours the employee shall be entitled to one and one-half (1½) hours' compensation;
- (3) for attendance at 1330 hours the employee shall be entitled to one (1) hour's compensation.

PROVIDED HOWEVER, if the Court appearance is canceled by the Prosecutor prior to 1400 hours, the employee will be eligible to receive the Court attendance compensation only.

G. Traveling for Court Purposes

- (a) Where an employee is required by subpoena to attend and give evidence in a Court outside the boundaries of the Metro Vancouver Regional District, and where such employee will practically require the use of a commercial airline or other commercial travel, the following provisions shall apply:

- (1) Each day that the employee is on such duty will be considered as an eight (8) hour tour of duty. No overtime provision will apply nor will there be any reduction to the consideration of an eight (8) hour tour of duty if the employee's trip is in fact less than eight (8) hours in duration;
 - (2) If the employee's trip involves a day of scheduled weekly leave, then the employee will receive twice (2X) the employee's eight (8) hour rate for each scheduled weekly leave day involved;
 - (3) If the employee's trip is during the course of scheduled weekly hours, the employee will receive the straight-time rate but will be relieved of normal duties for at least eight (8) hours prior to the commencement of the employee's trip and at the conclusion of the trip;
 - (4) In order to accommodate paragraph (3) of this Section G(a), there will be no penalty for the Employer for any shift change required to relieve the employee of duties prior to and after the employee's trip.

The Employer hereby affirms that it will be its policy for the duration of this Agreement to make every reasonable effort to ensure that any complaint, other than one which alleges criminal behavior, from a person other than an employee of the Department, against any employee, of a nature which could result in suspension, dismissal, demotion or legal action against the employee concerned, shall be made in writing to the Employer or to the Chief Constable and shall be signed by the complainant setting forth the grounds for the complaint. In every instance where a complaint of the above nature is received, regardless of the form in which it is received, a copy of such complaint or a statement outlining the complaint, and any other documents which lead to a decision to investigate the complaint, shall be submitted to the employee concerned forthwith. - (a) The City will indemnify for necessary and reasonable legal costs an employee who is charged with a criminal offence, or an offence under any provincial statute (other than for minor traffic offences) arising from the performance, or attempted performance, in good faith of the employee’s duties as a police officer.
- (b) (i) The City will indemnify an employee for necessary and reasonable costs for up to a three (3) hour consultation by the employee with a lawyer as to whether the employee should make a statement, and if so, in what form, if the employee learns that an allegation has been made that the employee misconducted himself or herself in the performance of their duties if the employee
 - (1) reasonably believes that the allegation may result in the initiation against the employee of proceedings under the Criminal Code; and
 - (2) has been asked by the City or a person in authority to make a statement to anyone about the facts connected with the allegation.
- (ii) No prior arrangement for indemnification need be made by the employee with the City before obtaining the advice if fees for only up to three hours’ services will be claimed.

- (iii) If the employee considers the allegation involves a matter that is complex or serious so as to warrant more than three (3) hours' legal assistance the employee may, before consulting the lawyer, seek the City's agreement to indemnify the employee for the cost of more than three (3) hours' services of the lawyer. In such cases the City will not unreasonably refuse to agree to indemnify the employee for the cost of reasonable and necessary services.
 - (iv) If it is proven that the employee did not act in good faith in the performance of the employee's duties as a police officer, the Union will indemnify the City for the amount properly paid by it pursuant to this subsection.
- (c)
 - (i) If an employee is named defendant in a civil action for damages arising from acts done in the performance, or attempted performance, in good faith of the employee's duties as police officer, the employee shall be represented by counsel appointed by the City and all necessary and reasonable legal costs and damages shall be borne by the City, PROVIDED THAT the City's obligations are conditional upon the employee cooperating fully in the defence of the action, AND PROVIDED THAT Counsel appointed by the City is given full authority in the conduct of the action, including authority to settle the action at any time in the manner Counsel deems advisable in the circumstances.
 - (ii) If Counsel appointed by the City determines that a conflict exists between an employee's defence of a civil action and the City of Port Moody's defence of a civil action then the employee may be represented by their own counsel with necessary and reasonable legal costs borne by the City of Port Moody.
- (d)
 - (i) An employee who is a respondent at a public hearing held pursuant to Division 3 of Part 11 of the Police Act, R.S.B.C., 1996, c. 367, arising from acts done in the performance, or attempted performance, in good faith, of the employee's duties as a police officer shall be indemnified for the necessary and reasonable legal costs incurred in representing the employee at the public hearing.
 - (ii) An employee who appeals under Section 154(3) of the Police Act, R.S.B.C., 1996, c. 367, the decision of an adjudicator at a public hearing arising from acts done in the performance, or attempted performance, in good faith, of the employee's duties as a police officer shall be indemnified for the necessary and reasonable legal costs incurred in representing the employee in the appeal ONLY WHERE the appeal is successful.
- (e) An employee who causes the death of another person arising out of the performance, or attempted performance, in good faith of the employee's duties shall be indemnified for the necessary and reasonable legal costs to represent the employee at an inquest held pursuant to a statute of the Province of British Columbia.
- (f) Where an employee desires to have legal representation in a royal commission or proceedings not otherwise referred to in this section the employee may, prior to the commencement of the proceedings, request the City to recommend to City Council that the City of Port Moody indemnify the employee for all or a portion of necessary and

reasonable legal costs. Upon receiving such a request, the City will afford the employee an opportunity to appear before it for the purpose of attempting to persuade it that such a recommendation is appropriate. The Employer, having afforded the employee such an opportunity may, in its unqualified discretion, recommend to the City of Port Moody that the request be granted, or that it be granted subject to conditions, or the City may deny such request. It is understood that the City of Port Moody may accept, modify or reject the recommendation of the City.

- (g) Notwithstanding the other provisions of this Section, employees shall NOT be indemnified for punitive damages; for legal costs arising from grievances under the Collective Agreement; for hearings arising from charges under the Police (Discipline) Regulations; for discipline proceedings arising from charges under the Code of Professional Conduct; for acts or omissions of employees which did not arise in, or result from, circumstances peculiar to the execution of police duties; for actions which amount to willful neglect or a gross dereliction of duty, or deliberate abuse of police power; or for willful violation of a lawful order.
- (h) Notwithstanding the other provisions of this Section, where two (2) or more employees are charged with an offence or made the subject of an action, inquiry, public hearing, inquest, or royal commission, described in paragraphs (a) and (c) through (f), arising out of substantially the same circumstances, the City may limit its indemnification pursuant to this Section to the reasonable legal costs of ONE (1) solicitor to represent the interest of both/all of them, including representation at any appeal, UNLESS the solicitor is of the view that it would be improper for such solicitor to so represent both/all of them. If one (1) solicitor is to be retained and the employees are unable to agree on which solicitor, the matter shall be conclusively settled by a designate of the City and a designate of the Union.
- (i)
 - (i) No notice is required from employees seeking indemnity for three hours' consultation under paragraph 9.9(a).
 - (ii) Employees who intend to apply for indemnification under any other provision of this Section shall notify the Chief Constable or designate, in writing, within 10 days of receiving formal notification of being charged with a criminal or statutory offence, named defendant in a civil action, or being made subject of a public hearing, action, inquiry, inquest or royal commission. Failure to comply with this paragraph may result in an employee being denied indemnification.
- (j) Nothing in this Section shall be interpreted as limiting the Chief Constable's or the City's ability to discipline any employee of the Department.

Where the death of an employee arises out of and in the course of the employment of the employee as a police officer, compensation shall be paid to the dependents of the deceased employee in accordance with Schedule "D" annexed hereto.

An employee shall be entitled to extend the parental leave by up to an additional five (5) consecutive weeks' leave without pay where the child is at least six (6) months of age before coming into the employee's care and custody and the child is certified as suffering from a physical, psychological or emotional condition.

Provided however, that in no case shall the combined maternity and parental leave exceed seventy-eight (78) consecutive weeks following the commencement of the leave.

(b) Notice Requirements and Commencement of Leave

- (1) An employee who requests parental leave for the adoption or caring of a child shall be required to provide proof of adoption or birth of the child.
- (2) An employee shall provide written notice, at least four (4) weeks in advance, of the intended commencement date of the maternity and/or parental leave. (In the case of adoption of a child, the employee shall provide as much notice as possible.)
- (3) The Employer may require a pregnant employee to commence maternity leave where the duties of the employee cannot reasonably be performed because of the pregnancy. In such cases the employee's previously scheduled leave period will not be affected.
- (4) An employee on maternity leave or parental leave shall provide four (4) weeks' notice prior to the date the employee intends to return to work.
- (5) An employee who wishes to return to work within six (6) weeks following the actual date of the birth may be required to provide a certificate from a medical practitioner stating the employee is able to return to work.
- (6) Where a pregnant employee gives birth before requesting maternity leave or before commencing maternity leave, the maternity leave will be deemed to have started on the date of birth.

(c) Return to Work

On resuming employment an employee shall be reinstated to their previous or a comparable position and for the purposes of pay increments and benefits, referenced in (e) herein, and vacation entitlement (but not for public holidays or sick leave) maternity and parental leave shall be counted as service. Vacation pay shall be prorated in accordance with the duration of the leave and an employee may elect not to take that portion of vacation which is unpaid.

(d) Sick Leave

- (1) An employee on maternity leave or parental leave shall not be entitled to sick leave during the period of leave.
- (2) Notwithstanding paragraph (d)(1), an employee on maternity leave or parental leave who has notified the Employer of their intention to work pursuant to paragraph (b)(4) and who subsequently suffers any illness or disability which prevents them from returning to work as scheduled, whether or not such illness or disability is related to pregnancy, shall be entitled to sick leave benefits commencing on the first day on which the employee would otherwise have returned to work.

(e) Benefits

- (1) MSP, Dental, EHB, and Group Life Insurance benefits shall continue uninterrupted during the period of time the employee is on maternity and/or parental leave provided that the employee makes arrangements prior to commencing the leave to pay their share of the benefit premiums for that period where the premiums are cost-shared. Where an employee makes arrangements to continue benefits coverage all benefits named in this paragraph shall continue.
- (2) Pension contributions will cease during the period of the leave. Upon returning to work, the employee may purchase service for the period of the leave pursuant to the Municipal Pension Plan Rules.

(f) Maternity Leave Supplemental Employment Insurance Benefit Plan (SEIB Plan)

- (1) Birth parents who are entitled to maternity leave as provided for in Section 9.14 of the Collective Agreement and who have applied for and are in receipt of Employment Insurance benefits are eligible to receive SEIB Plan payments.
- (2) Subject to the approval of the Employment Insurance Commission, non-birth parents who, due to the death or total disability of the birth parent, have applied for and are in receipt of Employment Insurance maternity benefits are eligible to receive SEIB Plan payments.

- (3) The SEIB Plan is intended to supplement the Employment Insurance benefits received by employees while they are temporarily unable to work as a result of giving birth, or as provided for in Paragraph 2 above.
- (4) The SEIB Plan payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and one-hundred percent (100%) of their gross weekly earnings for seventeen (17) weeks, which includes the Employment Insurance waiting period.
- (5) The Plan meets the requirements of Section 38 of the EI Regulations, specifically that, when combined with an employee's weekly EI benefit, the payment will not exceed the claimant's normal weekly earnings from employment and an employee's accumulated leave credits will not be reduced.
- (6) Income tax rules or regulations may require a payback of Employment Insurance earnings depending upon the tax rules in effect at the time an employee is receiving benefits. Under the SEIB Plan, the Employer does not guarantee any specific level of earnings but is liable only for the payment of the benefit as described above. The Employer, under no circumstance, will be responsible for any paybacks arising from changes to or the application of the tax regulations.

(g) Parental Leave Supplemental Employment Insurance Benefit Plan (PSEIB Plan)

Effective 2024 May 14:

- (1) A birth parent or non-birth parent who is entitled to parental leave as provided for in Article 9.14 of the Collective Agreement and who has applied for and is in receipt of Employment Insurance benefits is eligible to receive PSEIB Plan payments.
- (2) The PSEIB payment is based on the difference between the Employment Insurance benefit plus any other earnings received by an employee and one hundred percent (100%) of their gross weekly earnings for up to thirty-five (35) weeks. This top-up is calculated based on the Employment insurance standard parental benefits option.
- (3) If an employee elects to take a Parental Leave in excess of thirty-five (35) weeks under the Employment Insurance extended parental benefits option, an equivalent top-up is calculated to ensure the Board will not pay any additional entitlements to them beyond the amount outlined in paragraph (2) above.
- (4) If an employee shares Parental Leave benefits with another parent of the child who is also employed by Port Moody Police Board, an equivalent top-up is calculated to ensure the Board does not pay any additional entitlements beyond those available to an individual employee as outlined in paragraph (2) above. The employee determines how the equivalent top-up is allocated.

- (5) Income tax rules or regulations may require a payback of Employment Insurance earnings depending upon the tax rules in effect at the time an employee is receiving benefits. Under the PSEIB Plan, the Board does not guarantee any specific level of earnings but is liable only for the payment of the benefit as described above. The Board, under no circumstance, is responsible for any paybacks arising from changes to or the application of the tax regulations.

(h) Supplemental Employment Insurance Benefit Plan Conditions

Effective 2024 May 14:

- (1) The Maternity and Parental Leave SEIB benefits (MSEIB and PSEIB) are contingent upon an employee completing a signed acknowledgement that the benefit must be repaid on a prorated basis if they do not return to work for the Employer for a period of three (3) years following the completion of their leave under Article 9.14.
- (2) If an employee who received benefits under the MSEIB and/or the PSEIB Plan does not return to work for the Employer for the period outlined in paragraph (1) above, they will be required to repay the MSEIB and/or the PSEIB Plan payments paid by the Employer. Such repayment shall be pro-rated based on time worked following the receipt of the MSEIB and/or the PSEIB Plan payments.
- (3) If the eligible parent experiences a medical condition preventing them from returning to work, the requirement to repay the benefit will be assessed on a case-by-case basis.

10. MEDICAL ATTENDANCE

An employee who is required to attend while off-duty at a medical facility for initial treatment and/or testing relative to a potential job-related exposure to a serious infectious disease, such as Tuberculosis, Hepatitis or HIV, shall receive six (6) hours' regular straight-time compensation for such attendance.

11. WORKING CONDITIONS

11.1 Work Week

- (a) Subject to the exigencies of the Department, the hours of work shall consist of an eight (8) hour tour of duty per day for five (5) consecutive days each calendar week. It is understood that employees shall report not less than fifteen (15) minutes before going on duty.

Work schedules related to various alternate hours of work based on either ten (10) or twelve (12) hour work days are attached to this Agreement as Letters of Understanding, and form a part of this Agreement.

- (b) The hours of work of each employee and the employee's regular days off shall be published in a monthly duty roster of the Department.
- (c) (i) The Department shall have the right to alter the hours of work of an employee from the designation in the monthly duty roster. In that event, the employee shall be remunerated on the basis that all time worked within the designation in the monthly duty roster shall be paid at straight time rates and all time worked outside the designation in the monthly duty roster shall constitute an extended tour of duty or a callout, as the case may be, and shall be remunerated in accordance with this Section. No employee shall be remunerated for hours designated in the monthly duty roster but not worked, except as otherwise provided.

Subject to the exigencies of the Department:

- the Department shall not alter the hours of work of an employee from the designation in the monthly duty roster in such manner that an employee is deliberately deprived of either any straight time hours or overtime; and
- subject to sub-paragraph (ii) of this paragraph 11.1(c), every employee shall receive eight (8) consecutive hours free from duty between shifts.

Note: The intention of this sub-paragraph 11.1(c) is to assure that notwithstanding paragraph 11.1(b) the Department shall have some flexibility in scheduling. However, where an employee's hours are altered this should result in an overtime penalty to the Department, for example:

Where an employee is scheduled to work 0800 to 1600 hours but is then required to work 0600 to 1400 hours, such employee will be remunerated:

- (a) 0600 to 0800 or two (2) hours (outside regularly scheduled shift) at overtime rates, namely one and one-half times (1½X) for the first two (2) hours = three (3) hours at straight time rates;

plus

- (b) 0800 to 1400 or six (6) hours (within regularly scheduled shift) at straight time rates;

for a total of nine (9) hours.

This paragraph 11.1(c) shall not apply to those employees regularly assigned variable hours of duty.

- (ii) If the Department is unable to alter an employee's hours of work as in sub-paragraph 11.1(c)(i) provided so as to allow the employee eight (8) consecutive hours of freedom from duty immediately following the completion of the employee's regular shift, then such employee shall, in addition to straight-time pay for the hours worked, be entitled to compensation at the rate of one-half times ($\frac{1}{2}X$) the employee's hourly rate of pay, computed on the basis of the employee's regular working hours, for the hours worked by the employee during the eight (8) hour period immediately following the completion of the employee's regular shift.
- (iii) When, in the opinion of the Chief Constable or a Deputy Chief Constable, an emergency or situation of serious public concern exists, the Department may advance or retard the posted hours of any employee for up to eight (8) hours without penalty provided twenty-four (24) hours' notice is given.
- (iv) Notwithstanding Subsection 11.1(c)(i) above, in the event that an employee's hours of work are altered in response to an unpredicted vacancy(ies) or a course cancellation initiated by the Training Centre(s) involved, such alteration shall not result in a penalty and the hours worked outside of the designation in the monthly duty roster as a consequence of such alteration shall be paid at straight time rates.
- (v) Notwithstanding the provisions of Section 11.1(c)(i), when the Employer requires employees to be reassigned from their regular shift to another shift as a result of a significant investigation or an anticipated significant investigation, then hours worked outside their regular shifts shall be paid in accordance with Section 11.1(c)(i). If those employees are still required for the investigation after seventy-two (72) hours from the commencement of their reassignment, those employees will revert to straight time pay for hours which would otherwise attract premium rates under Section 11.1(c)(i). On completion of the investigation the employee(s) will be reassigned to the regular duty roster shift at their regular straight time rates.

For the purposes of this Subsection (v), "significant investigation" is defined as a major criminal investigation that requires immediate and sustained investigation.

- (d) Notwithstanding paragraph 11.1(c), to ensure adequate staffing in response to a Declared State of Emergency or a Declared State of Local Emergency pursuant to the Emergency Program Act, the Chief Constable may alter the hours of work of an employee from their designation in the monthly duty roster to a temporary assignment and back to their original assignment without penalty.

11.2 Promotional Policy

- (a) That with regard to promotion it is agreed that, other things being equal, effect shall be given to seniority.

- (b) The Employer agrees that before making amendments to promotional policies regarding positions within the bargaining unit, the Union shall have an opportunity to consider such amendments and to make representation to the Board. The Employer further agrees that amendments to these promotional policies shall not occur except as stated above, and all such amendments approved by the Board shall occur prior to the commencement of a promotional competition.

11.3 Seniority

- (a) Seniority, for the purpose of Section 11.2 - Promotional Policy; Section 8.1(m) - Annual Leaves; Section 12 - Reduction of Work Force, Layoff, Recall; and for Annual Leave Signup, shall be defined as the length of continuous full-time service with the Employer since the last enlistment date, subject to required adjustments for periods of absence.
- (b) Any employee who leaves the Department and is subsequently re-employed within one (1) year shall have their seniority restored, subject to adjustment for the period of the absence.
- (c) Any employee who leaves the Department and is subsequently re-employed after a period of one (1) year or longer shall not receive credit for previous service.
- (d) No changes shall be made to the seniority list without the consent of both parties to this Agreement.

11.4 Probation

- (a) A police recruit to the Department shall be accepted as a Fifth Class Constable in a probationary capacity until successful completion of twelve (12) months' service following the date of graduation from the Academy. Any period of service as a pre-recruit shall not be considered service for the purposes of the probationary period as set out in this paragraph (a).
- (b) The probationary period shall be for the purpose of determining an employee's suitability for continued employment. During the probationary period, the employment of an employee may be terminated if it can be satisfactorily shown that the employee is unsuitable for regular employment.
- (c) Under special circumstances the Employer may extend the probationary period with the consent of the Union. In the case where extension is required the Employer shall give written notice of the reasons for such extension to the Union and to the employee.
- (d) An employee's suitability for continued employment shall be decided on the basis of factors such as,
 - (i) conduct;
 - (ii) quality of work;

- (iii) ability to work harmoniously with others; and
 - (iv) ability to meet the operational and administrative standards set by the Employer.
- (e) If an employee successfully completes the probationary period and continues in the same position as a regular employee, seniority and annual leave benefits and other perquisites referable to length of service shall date back to the date of employment.

11.5 Increments

- (a) Upon completion of thirty-four (34) weeks' service following the date of acceptance as a Fifth Class Constable, or upon successful completion of the required basic training, whichever is later, a Fifth Class Constable shall receive an incremental increase to a pay level equal to that of Fourth Class rank. Where the reason for failure to complete the required basic training during the Fifth Class Constable's first twelve (12) calendar months' service following the date of acceptance as a Fifth Class Constable is beyond the control of the Fifth Class Constable, the Employer shall grant the incremental increase to a pay level equal to that of Fourth Class rank with retroactive effect to the first anniversary of the employee's date of acceptance as a Fifth Class Constable.
- (b) After service satisfactory to the Employer for a total of twelve (12) calendar months following the effective date of the incremental increase as set out in paragraph (a) above, an employee who has attained Fourth Class rank shall be promoted to Third Class rank.
- (c) After service satisfactory to the Employer at Third Class rank for twelve (12) calendar months, an employee shall be promoted to Second Class rank.
- (d) After service satisfactory to the Employer at Second Class rank for twelve (12) calendar months, an employee shall be promoted to First Class rank.

11.6 Provisions Respecting Re-employment of Former Employees and Employment of a New Employee Formerly Employed by Another Accredited Canadian Police Department

- (a) Any employee who leaves the Department, and is subsequently re-employed within one (1) year from the date of leaving the Department, shall be reappointed to the rank held at the time the employee's employment terminated; provided however that under no circumstances shall that employee be reappointed to a rank higher than First Class Constable. The re-employed employee shall be placed in a probationary status for six (6) months and the provisions of paragraphs 11.4(b) to (e), Probation, shall apply as though the employee were a Fifth Class Constable.
- (b) Any employee, other than a Fifth Class Constable, who leaves the Department, and is subsequently re-employed after a period of one (1) year following the date of leaving the Department, shall be reappointed to the rank immediately below that held at the time the employee's employment terminated; provided however that under no circumstances shall that employee be reappointed to a rank higher than Second Class Constable. The re-employed employee shall be placed in a probationary status for

twelve (12) months and the provisions of paragraphs 11.4(b) to (e), Probation, shall apply as though the employee were a Fifth Class Constable.

- (c) Any new employee may, at the discretion of the Employer, receive recognition for some or all previous employment service with another accredited Canadian Police Department. Such recognition of service shall be for determination of supplementary annual leave entitlement, annual leave entitlement, and annual leave increment eligibility purposes only. Recognition of previous service is not applicable for the purposes of annual leave signup or scheduling. New employees who receive recognition for previous service under this provision must still fulfill the requirements associated with the various increment levels for the rank of Constable and Sergeant prior to receiving the increment level. The new employee shall be placed in a probationary status for twelve (12) months and the provisions of Section 11.4(b) to (e), Probation, shall apply as though the new employee were a Fifth Class Constable.

11.7 Compliance with Administrative Regulations

- (a) The Union agrees from time to time and whenever so requested, to furnish the Employer with a copy of its constitution and by-laws with amendments and a list of the officers of the Union.
- (b) Nothing in this Agreement shall affect or abridge the disciplinary powers heretofore held or exercised by the Employer.
- (c) Save as herein contained, all reasonable privileges and concessions enjoyed by either party prior to the signing of this Agreement shall continue in full force and effect and shall not be affected by this Agreement.

11.8 Method of Pay

- (a) Bi-weekly pay rates shall be derived from monthly rates in accordance with the following formula:

$$\frac{\text{monthly rate} \times 12}{26.089} = \text{bi-weekly rate} \\ \text{(rounded to 2 decimal places)}$$

- (b) All pay adjustments shall be made on the basis of hourly pay rates calculated in accordance with the following formula:

$$\frac{\text{bi-weekly rate}}{80}$$

- (c) While an employee is off duty on full pay no reduction shall be made on the perquisites that apply to the employee's position.

11.9 Changes Affecting the Agreement

The Employer agrees that any reports or recommendations made to the Employer dealing with matters covered by this Agreement, including recommendations for changes in methods of

operation that may affect wage rates, workloads or reduction of employment, will be communicated to the Union at such intervals before they are dealt with by the Employer as to afford the Union reasonable opportunity to consider them and make representation to the Employer concerning them, and further, that if any of the employees are deprived of employment by any implementation of such change, they shall receive priority consideration for other employment with the Employer.

11.10 Police Staff Parking

The Employer will undertake - and will so confirm by letter to the Union - to make space available for police staff parking at the Public Safety Building at 3051 St. Johns Street in the City of Port Moody or any other premises occupied and used by the staff of the Port Moody Police Department.

11.11 Deployment to Seconded Positions

Effective 2024 May 14:

The Employer and the Union recognize the mutual value to employees and the Employer of deploying employees to seconded positions. The Parties agree that when an employee on secondment is assigned the rank or acting rank of Corporal, the employee shall be paid at 117.5% of the 1st Class Constable rate.

12. REDUCTION OF WORKFORCE, LAYOFF, RECALL

12.1 Definition

(a) For the purposes of this Section 12 "layoff" means the temporary or permanent termination of employment of an employee as a result of the Employer's decision to reduce the work force.

12.2 Notification to Union

Where the Employer determines that it is necessary to reduce the work force in such a manner that one (1) or more layoffs will occur, it shall notify the Union thirty (30) calendar days in advance of the effective date of such decision, including a determination of how many employees in each rank are to be affected by reduction in rank, and how many employees are to be laid off.

12.3 Notification to Employees

Where the Employer determines that it is necessary to reduce the work force in such a manner that one (1) or more layoffs will occur, it shall notify each employee to be laid off or reduced in rank thirty (30) calendar days in advance of the effective date of such decision.

12.4 Reduction in Rank

Reduction of the number of employees in a rank shall be carried out in reverse order of date of appointment to that rank, that is on the principle of last promoted, first to be reduced in rank. In no event however, shall any employee be reduced more than one (1) rank before all others previously in the lower rank have been reduced to the next lowest rank. Upon being reduced in rank, employees shall be placed on the eligibility for promotion list, such that they resume rank in the same order as their original date of appointment to that rank.

12.5 Layoff

- (a) Employees shall be laid off in the order of reverse seniority.
- (b) Medical, Dental and Group Life coverage for laid off employees shall cease as of the last day of the month during which the layoff commenced. All other benefits shall cease on the day of the layoff.
- (c) At least five (5) working days prior to their effective date of layoff employees will be required to elect in writing to avail themselves of the procedures set forth in Section 12.6, Recall OR Section 12.7, Compensation. If an employee fails to make such election within the specified period, the employee shall be deemed to have elected compensation pursuant to Section 12.7.

12.6 Recall

In recalling employees who have been laid off, the following terms and conditions shall apply only to laid off employees who have elected this process pursuant to paragraph (c) of Section 12.5:

- (a) No new employees shall be hired following a layoff until those employees who were laid off have been given a reasonable opportunity of recall as detailed below.
- (b) Subject to the provisions below, laid off employees shall be recalled in order of seniority, and shall retain their right to be recalled for three (3) years immediately following the date of layoff.
- (c) Laid-off employees shall be responsible for ensuring that the Employer is notified of their most current mailing address and telephone number.
- (d) In recalling a laid off employee, the Employer shall advise the employee by double-registered letter directed to the latest mailing address provided by the employee, and shall also advise the Union by copy of such letter.
- (e) A laid off employee who does not respond within seven (7) calendar days of the initial attempt of the Employer to contact them shall have no further right to recall under this Section.
- (f) Upon making contact with a laid off employee as outlined in paragraph (d) above, the Employer shall notify the employee of the time and place for reporting to work,

providing that the Employer shall, on request, allow the employee to report to work up to fourteen (14) days from the date of the Employer's initial attempt to contact the employee, or at the discretion of the Employer whose approval shall not be unreasonably withheld, up to an additional fourteen (14) days.

- (g) A laid off employee who refuses to or does not report to work at the time and place as determined in paragraph (f) above shall have no further right to recall under this Section.
- (h) Nothing in this clause shall prohibit an employee who has forfeited rights to recall from applying for vacancies (following such time as all eligible laid off employees have been given a reasonable opportunity of recall) and being appointed in accordance with the provisions of paragraph 11.6(b) of the Collective Agreement.

12.7 Compensation

The following shall apply only to laid off employees who have elected this process, or who are deemed to have elected this process, pursuant to paragraph (c) of Section 12.5:

"Week's Pay" means a laid off employee's straight time hourly classified rate of pay, excluding all premium pay, times forty (X40) normal weekly hours.
- (b) Laid off employees shall be entitled to compensation of two (2) weeks' pay for between six (6) months and two (2) years of continuous service and one (1) additional week's pay for each continuous year of service thereafter, subject to a total maximum of eight (8) weeks' pay.
- (c) Employees who elect or are deemed to have elected compensation pursuant to paragraph (c) of Section 12.5 shall be considered terminated on the effective date of layoff.

13. PENSIONS

Contributions to the Municipal Pension Plan shall commence on the employee's date of hire.

14. GRIEVANCE PROCEDURE

Any differences concerning the dismissal, discipline, or suspension of an employee, or the interpretation, application or operation of this Agreement or concerning any alleged violation of this Agreement shall be finally and conclusively settled without stoppage of work in the following manner:

- (a) The grievance shall be stated in writing and submitted to the Inspector within thirty (30) days of the occurrence of the incident leading up to the grievance. Should the Inspector

be unable to settle the matter within fourteen (14) days after receipt of the grievance, the grievance shall be submitted to the Chief Constable.

- (b) The Chief Constable (or designate) and the aggrieved Employee of the Association, the Grievance Committee of the Association and/or the Bargaining Representative of the Association shall meet within fourteen (14) days after receipt of the grievance from the Inspector and make every effort to settle the grievance.
- (c) Should no settlement be reached under paragraph 14.2(b) within ten (10) days, or within such further period as may be mutually agreed upon, the grievance shall be submitted to a Board of Arbitration composed of a single arbitrator to be chosen by the parties. In the event either party wants a three (3) member Board of Arbitration each party shall choose one (1) member of the Board of Arbitration and the third (3rd), who shall be Chair, will be chosen by the other two (2). The findings of such Board of Arbitration shall be final and binding upon both parties.

15. ABSENCE FROM DUTY OF UNION OFFICIALS

An executive officer of the Union shall be granted time off to attend meetings of the organization, at the discretion of the Chief Constable.

16. ACCESS TO PERSONNEL RECORDS

- (a) Upon receiving the permission of the Chief Constable or designate, an employee may review the contents of their personnel file provided that such review is in the presence of a person authorized for such a purpose by the Chief Constable.
- (b) A copy of any written material concerning an employee's job performance shall be provided to the employee as soon as possible after it is recorded in the employee's file. Should an employee dispute any such entry in the file, that employee shall be entitled to recourse through the grievance procedure contained in Section 14 of this Agreement. The Employer agrees not to introduce as evidence in any hearing arising from a job performance grievance any document from the file of an employee, the existence of which the employee was not aware of at the time of filing.

17. PROVISION OF COLLECTIVE AGREEMENTS

The Employer shall post an electronic version of the Collective Agreement on the Department's web site for access by employees.

18. POSTING OF CAREER OPPORTUNITIES

- (a) Notwithstanding the Employer's right to freely transfer employees within their rank, for the purpose of reminding employees of potential career opportunities which may exist and to give employees the opportunity to express an interest in them, the Employer shall publish notices of potential positions as set out in this Section 18.
- (b) Notices of potential positions shall be published in the "General Information Bulletin" for a duration of one (1) week. The notice shall designate a person to be contacted should an employee wish to register interest.
- (c) Employees will be responsible for registering their interest in a position with the contact person at least once annually.
- (d) In making appointments to positions the Employer will include in its consideration employees who have registered their interest in such positions within the preceding year, in accordance with this Section.

19. CONFLICT WITH REGULATION AND PROCEDURE MANUAL

- 1.04 The compensation payable under Section 1.03 shall not, in any case, exceed the compensation that would have been payable under Section 1.02(1) if there had been no separation.
- 1.05 Where there is a spouse, or common-law spouse and a child or children, and the spouse, or common-law spouse subsequently dies, the allowance to the children shall, if the children are in other respects eligible, continue and shall be calculated in like manner as if the employee had died leaving no surviving spouse, or common-law spouse.
- 1.06 No sum payable as compensation hereunder shall be assigned.

- 1.07 Where any situation arises that is not expressly covered by the terms of this Section and the parties cannot resolve the situation, the matter may be referred to arbitration by either party and the provisions of Section 14(c) of the Collective Agreement (Grievance Procedure) shall apply with respect to such arbitration.
- 1.08 Any
- (1) Workers' Compensation or pension or annuity, or other compensation not personally contracted for by the deceased employee or any dependent of the deceased employee or any other person entitled to and receiving compensation under these provisions; or
 - (2) criminal injuries compensation award under the Criminal Injury Compensation Act of British Columbia, or any other federal, provincial or municipal legislation that is paid or awarded by reason of the employee's death;

- 1.09 The compensation payable hereunder to a spouse, or common-law spouse of a deceased employee shall cease on the earlier of the following dates:

- 1.10 Where the compensation payable hereunder ceases to be paid to a spouse, or common-law spouse for either of the reasons set forth in Section 1.09, then any compensation payable hereunder to children as dependent children of the spouse, or common-law spouse (as the case may be) shall also cease.

SCHEDULE "E"

This is the Schedule referred to in
Section 9.11 of this Agreement

TOTAL PERMANENT DISABILITY COMPENSATION

When an employee suffers total and permanent disability arising out of and in the course of the employee's employment as a Police Officer, custodial guard or nurse, the employee shall receive a Disability Benefit to be agreed to by the parties, or if not so agreed, to be determined by Dalton Larson, the Chairman of the 1976 Vancouver Police Wages Review Board. In determining the benefit to which an employee is entitled, the parties are agreed that the following guidelines are to be applied:

1. That the Disability Benefit is a benefit separate and apart from the Dependents' Compensation Benefit.
2. That the amount of the benefit is intended to be an amount which when added to all sums received under:
 - (a) Workers' Compensation Act,
 - (b) Criminal Injury Compensation Act,
 - (c) judgements or settlements as a result of the incident giving rise to the disability insurance policies, other than those personally contracted for by the employee,
 - (d) any other Provincial, Federal or contractual benefits to which the employee is entitled, and
 - (e) all monies and benefits received by way of salaries, commissions or dividends arising out of the employees engaging directly or indirectly in any other form of employment,

shall bring all amounts received up to the salary from time to time appropriate to the rank held by the employee at the date of the disability.

3. That payment of the Disability Benefit will be conditional upon the employee applying for and pursuing the employee's right to all statutory benefits arising from such disability, and upon the employee's agreement and upon being indemnified, cooperating in all ways with the Employer in pursuing any civil actions available to the employee as a result of the incident giving rise to the disability.
4. That an employee able and fit to do so will seek employment other than as a Police Officer at such time as it may be apparent that the employee will not be employable as a Police Officer.
5. That where an employee is permanently and totally disabled the employee's status as an employee shall be continued at least for the purposes of providing the employee with medical coverage, group life coverage, Municipal Pension Plan contributions, and dental benefits.

6. No employee shall be considered to be totally and permanently disabled until that employee has been examined by two (2) duly qualified medical practitioners appointed one (1) by each of the parties and they have certified to the Employer and the Union that to the best of their knowledge and their belief the employee is totally and permanently disabled. Where the medical practitioners are unable to agree, they shall agree to the appointment of a third (3rd) such medical practitioner whose decision shall be final as to the disability of the employee. If the medical practitioners are unable to agree upon or fail to appoint a third (3rd) medical practitioner, then the Employer and the Union or either of them may apply to a judge of the Supreme Court of British Columbia to make such appointment. The Employer and the Union shall bear the expenses of the medical practitioner appointed by such party and shall pay half (1/2) the expenses of the third (3rd) practitioner, if any.
7. That the continuance of the Disability Benefit will be dependent upon reasonable proof at reasonable intervals that the total disability continues.

It is understood and agreed by the parties that the foregoing is an interim arrangement until a complete study can be undertaken by an expert in the field of such compensation who is appointed by the Employer and who will make recommendations to the parties for their consideration and final approval. When final approval has been given to a new Schedule "E", it shall replace this interim arrangement and become part of the Collective Agreement.

An employee may accumulate a credit of not more than nine-hundred sixty (960) hours under this Gratuity Plan.

(b) Deduction

A deduction is made from the current year's gratuity credits for all days absent on sick leave with pay, except that such deduction shall not exceed thirty-two (32) hours in any one (1) calendar year, nor more than eight (8) hours in any quarter (1/4) of any one (1) calendar year, or for any one (1) illness. The total gratuity credited to each employee at December 31st of each calendar year will remain to such employee's credit regardless of time loss in any subsequent year through illness or any other reason.

In circumstances where an injury is not covered by Workers' Compensation Board solely because the employee is off work for less than the qualifying period, time off shall be considered as sick leave. For the purpose of this Clause a deduction shall be made from the employee's accumulated sick leave credits but this deduction shall not affect the employee's gratuity benefits.

(d) Payment of Gratuity

(iii) The minimum leave which shall be taken shall be forty (40) hours and the maximum leave one-hundred sixty (160) hours. Gratuity leaves must be taken during a period that will not affect the efficient operation of the Department, and it shall be subject to the approval of the Head of the Department. Note: when sick credits are exhausted, no further credits are posted to the employee's record unless the employee returns to duty for at least forty (40) consecutive working hours.
- (5) When sick leave is earned for a period of less than six (6) months a month shall be equivalent to a credit of twelve (12) hours and no credit shall be given for a part of a month.

In the event a suspension is specified in days, and it is not clear whether an eight (8) hour day or a twelve (12) hour day was intended, a day shall be construed to mean eight (8) hours.

SCHEDULE "F"NO. 3**LETTER OF UNDERSTANDING - JOB SHARING**

between the

PORT MOODY POLICE BOARD
(hereinafter called "the Employer")

and the

PORT MOODY, DISTRICT 43, POLICE SERVICES UNION
(hereinafter called "the Union")

The Employer and the Union agree that where an employee wishes to share his/her full-time position, that such job sharing agreements be mutually agreed upon using the following principles; PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein:

I. General

1. Job sharing is intended to provide temporary and relatively short duration (normally not exceeding one year) accommodation for employees with particular difficulties associated with such things as maternity leave, child care, family complications, health problems and, under some situations, special educational leaves. It is not intended to provide preferred part-time employment on behalf of employees and is clearly not a right of employees but an accommodation that may be considered where it does not create significant operational problems, result in service delivery issues, affect the rights of other employees, significantly complicate the administration of the Department or significantly increase the costs to the Employer.
2. Where an employee occupying a regular full-time position wishes to share his/her position with another employee and has received formal approval from the Chief Constable or designate and the Union, the employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

II. Procedure

1. The employee shall apply in writing to the Chief Constable or designate. A listing of approved areas in which job sharing arrangements may occur is attached hereto as Appendix I. The employee shall indicate the reason for the request, including the hours and days of the week the employee wishes to share and with whom the employee contemplates entering into a job sharing arrangement. A copy of the request shall be forwarded to the Union.

SCHEDULE "F" - NO. 3Letter of Understanding - Job Sharing (cont'd)

Page 2

2. The employee with whom it is contemplated the position shall be shared must be qualified to perform the duties and responsibilities of the position.
3. Where an employee's request is approved and results in an acceptable job sharing arrangement, the Chief Constable or designate shall provide each affected employee with a letter covering the terms and conditions of the job sharing arrangement signed by the Employer and the Union.
4. The regular daily and weekly hours of the position being shared shall remain unchanged as a result of the job sharing arrangement unless such hours are specifically varied by the terms and conditions of the letter referred to in paragraph II(3) above.
5. Where an employee's request is denied, the Union may request a meeting with the Chief Constable or designate to discuss the matter.

III. Duration

1. Each job sharing arrangement shall be for a maximum period of one (1) year unless extended by mutual agreement between the Employer and the Union.
2. A job sharing arrangement may be terminated earlier than expected by either of the employees or by the Employer, provided thirty (30) calendar days' written notice has been served to the other employee(s) and party(ies), or as otherwise provided for in the letter referred to in paragraph II(3) above. Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be abbreviated as a result of an early cancellation.
3. Upon the expiry or termination of the job sharing arrangement, the employee shall revert to working in his/her original position on a full-time basis under the terms and conditions then applicable unless some alternate job sharing arrangement has been approved in the interim.

IV. Employee Status and Working Conditions

1. An employee in a job sharing arrangement shall continue to maintain their original employee status during the period of time covered by the job sharing arrangement and shall accumulate seniority in accordance with the employee's scheduled hours of work in the job sharing arrangement. Such an employee shall be entitled to use accumulated seniority for all applicable purposes set out in the Collective Agreement including layoff and recall.

SCHEDULE "F" - NO. 3Letter of Understanding - Job Sharing (cont'd)

Page 3

2. The general principles with respect to wage rates, employee benefit entitlement and premium payments for employees in job sharing arrangements are as follows:
 - (a) Employees shall be paid the appropriate (classified) hourly rate for all hours worked.
 - (b) Paid leave benefits, such as Vacation, Public Holidays, Sick Leave and Gratuity, shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
 - (c) The employee's share of the premium payments for health and welfare benefits, such as Medical, Extended Health, Dental, and Group Life, shall increase proportionately as the number of scheduled weekly hours decrease in relation to the full-time hours of the position being shared.
3. In accordance with the general principles outlined in paragraph IV(2) above, except as otherwise provided herein, the following shall apply to employees:
 - (a) Vacation Entitlement

The employee's annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the job sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a job sharing arrangement.
 - (b) Supplementary Vacation

Supplementary vacation shall not be prorated as a result of an employee participating in a job sharing arrangement.
 - (c) Public Holidays
 - (i) The employee's public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared. Such entitlement shall be credited to their public holiday account effective January 01 of each calendar year, or effective as at the commencement of the job sharing arrangement in respect of the public holidays remaining in the balance of that calendar year.

SCHEDULE "F" - NO. 3Letter of Understanding - Job Sharing (cont'd)

Page 4

(ii) Where the employee has received an overage on the number of paid public holiday hours, the employee may be scheduled to work without pay to make up the equivalent number of overpaid hours. Where the Employer is not able to schedule such additional work for the employee, arrangements shall be made to deduct the overage either from the employee's compensating time off account or from the employee's normal pay and such deduction shall be done at year end or at the expiry of the job sharing arrangement, whichever is earlier.

(d) Medical Services Plan, Dental, Extended Health, and Group Life

The employee shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's scheduled hours of work compared to the full-time hours of the position being shared relative to the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.

(e) Sick Leave and Gratuity

For the period of the job sharing arrangement, the employee shall have sick leave and gratuity days credited on a prorated basis, calculated on the same proportionate basis as the employee's scheduled hours of work bears to the full-time hours of the position being shared.

(f) Municipal Pension Plan

Where an employee is contributing to the Municipal Pension Plan and enters into a job sharing arrangement, the employee shall be required to continue making payments toward the Municipal Pension Plan. The existing cost-sharing arrangement shall continue to apply on the same percentage basis applied to the reduced earnings.

(g) Bereavement Leave

The provisions of Subsection 9.13 of the Collective Agreement (Bereavement Leave) shall apply to employees participating in a job sharing arrangement, EXCEPT THAT, in normal circumstances the maximum paid leave to be granted such employees is two (2) working days.

(h) Rank Index

An employee sharing a position shall be eligible for rank index (increment) changes upon the completion of the equivalent hours worked applicable to a full-time employee in the same rank position.

SCHEDULE "F" - NO. 3Letter of Understanding - Job Sharing (cont'd)

Page 5

V. Application of Section 6 (Special Allowances)

Section 6 of the Collective Agreement shall apply to employees participating in a job sharing arrangement, EXCEPT THAT Subsection 6.1 (Clothing Allowance) shall, if applicable, accrue on a prorated basis in accordance with the ratio that the employee's scheduled weekly hours of work bears to the full-time hours of the position being shared.

VI. Application of Section 7 (Overtime)

Section 7 of the Collective Agreement shall apply to employees participating in a job sharing arrangement EXCEPT THAT,

- (i) regardless of the schedule of hours worked by an employee in the job sharing arrangement, overtime (extended tour of duty) premiums as provided pursuant to Subsection 7.3 (or Part 1(7.3) of Schedule "B" or Part B(7.3) of Schedule "F" if applicable) shall not be triggered unless and until an employee is required to work overtime of one-half (½) hour or more in excess of eight (8) (or ten (10) or twelve (12), as the case may be) consecutive hours of regular police work; similarly, overtime premiums shall not be triggered unless and until an employee's weekly hours of work exceed forty (40);
- (ii) Subsection 7.7(C)(a)(4) shall not apply to employees participating in a job sharing arrangement; instead, for attendance at Court on any day an employee is not scheduled to work, the following provisions shall apply:

Morning Session	four (4) hours
Afternoon Session	four (4) hours; and

- (iii) Subsection 7.8(d) shall be varied in its application to employees participating in a job sharing arrangement to the extent that "sixty (60) hours" shall be substituted for "one-hundred twenty (120) hours" wherever the latter appears in the Subsection.

VII. Termination

Either party may cancel this Letter of Understanding by providing at least thirty (30) calendar days' written notice to the other party. Notwithstanding such cancellation, all job sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.

A: Patrol Overnight Wellness Premium

The Parties agree that the Patrol Overnight Wellness Premium (POWP) will be paid under the following terms and conditions

1. The POWP only will apply to all employees while actively serving on patrol between the hours of 2300 and 0500. For greater clarity, the POWP will not apply to hours during which an employee was scheduled to be on patrol and instead was on any form of leave or non-patrol assignment.
2. The POWP will be paid at the rate of five dollars (\$5.00) per hour between 2300 and 0500 only.
3. Article 6.3 Shift Differentials will continue to apply when an employee is in receipt of the POWP.

4. The POWP will not be paid to an employee for shifts or hours worked as a result of a callout or overtime.

B: Auxiliary Contracted Patrol Employees

The Parties agree that the Employer, at its discretion, may hire serving or recently-retired sworn police officers as Auxiliary Contract Patrol Employees (ACPE) under the following terms and conditions:

Deployment

1. The Employer agrees to continue to actively recruit and hire regular full-time Employees. The Employer will prioritize the use of regular full-time and full-time contract employees whenever possible.
2. All ACPE will be certified police officers and will be employed in uniform operations.
3. The Employer may schedule ACPE outside the thirty-day monthly duty roster in the following circumstances:
 - a. To minimize shift adjustments for regular full-time and full-time contract employees; or
 - b. To facilitate training opportunities for other officers including consideration of time off between training and a scheduled shift; or
 - c. For patrol or other shift vacancies offered to regular and full-time contract employees that remain vacant ten days after posting.
4. The Employer may deploy ACPE for short-notice shift vacancies and exigent operational needs within the thirty (30)-day monthly duty roster when regular full-time and contract officers have not made themselves available. In all instances where an ACPE is assigned to a vacant shift on short notice, the assigning supervisor will report the circumstances to the Union Executive.
5. The Employer and the Union may agree to deploy ACPE in other circumstances.
6. The Employer and the Union collaboratively will determine the number of ACPE hired and available to be deployed.

Overtime

7. The ACPE will not be entitled to overtime pay unless the employer requires the ACPE to work more than twelve (12) hours on a shift or more than forty-eight (48) hours in a week, (a week being defined as Sunday to Saturday).

8. All ACPE overtime earnings will be paid out in the following pay period and cannot be banked.

Employment Contracts

9. ACPE shall be employed on renewable employment contracts for a fixed term not to exceed one (1) year. These contracts will specify that ACPE will not be guaranteed shifts or hours.
10. ACPE will be required to become Members of the Union as defined in the Port Moody Police Services Union Constitution and will pay a proportional hourly dues rate. The Port Moody Police Services Union Collective Agreement (the "Collective Agreement"), as amended from time to time, will apply to the ACPE, with the exception of the defined provisions listed as 'not applicable' in Appendix A. These limitations and applicable provisions of the Collective Agreement will form part of the contract between each ACPE and the Employer.
11. ACPE will be paid at the rate of 115% of the First-Class Constable hourly rate.
12. ACPE will receive 12% of additional pay in lieu of annual leaves, public holidays and health benefits.
13. ACPE will be eligible for sick leave in accordance with the Employment Standards Act.
14. ACPE will not be eligible for long term disability, life insurance and Maternity and Parental Supplemental Employment Insurance Benefits.
15. The Municipal Pension Plan shall be administered as per the requirements of the plan.
16. ACPE will perpetually be considered to have no Departmental seniority.
17. ACPE will not be eligible to apply for promotion and will not be eligible to act in a higher rank.
18. ACPE will not be eligible to apply for specialty positions or secondments.

Appointment Requirements

19. The Employer will assess the suitability of ACPE candidates through a modified hiring process and determine the length of each individual contract. The hiring process will be designed by the Employer and will include input from the Union. ACPE candidates must write and pass the PMPD legal exam upon engagement.
20. The probation period for ACPE will be one hundred and forty-four (144) hours or three months, whichever is longer, for the purposes of determining their suitability for continuous employment. The Employer or the probationary ACPE may end the employment relationship without severance or compensation or any further obligation owing to the

ACPE within the probation period. Successful completion of the probationary period for ACPE does not entitle the employee to any guarantee of shifts or hours of work.

21. ACPE will be required to attend five (5) scheduled training days each calendar year for the purposes of training. ACPE shall be paid at straight time for each hour spent in training. ACPE candidates must write and pass the PMPD legal exam every two (2) calendar years during the term of their employment.

TOPIC: Protection of Leave

File: PM170-002

Having your leave cancelled is difficult for all involved. Not only does it cause physical and emotional stress, it does not promote a healthy and vibrant workplace. As employee wellness is a strategic priority for us, we have consulted with the Union Executive and as an interim measure have decided to protect all forms of leave as identified in the Collective Agreement.

Therefore, for your reference please see below –

Annual Leave (s. 8.1 CA)	PROTECTED
Deferred Vacation Leave (s. 8.1 (k) CA)	PROTECTED
Supplementary Annual Leave (s. 8.3 CA)	PROTECTED
Gratuity Leave (Schedule C s. (d) (1) CA)	PROTECTED
Cumulative Time Off (s. 7.8 (e) CA)	PROTECTED
Overtime Leave (s. 7.2 (b) CA)	PROTECTED

**Members will be prohibited from working on an overtime call-out for the same shift they are off on Overtime Leave, unless there are extenuating circumstances.*

**As a reminder, overtime can't be banked where the employer recovers costs from a 3rd party (I.C.B.C, Movie Call-outs, etc.) (s. 7.2 (c) CA).*

Statutory Holiday Leave (s. 8.2 CA) (and Schedule B s. 8.2, Schedule F s. 8.2, and historical agreement between Union and Management to protect full blocks of Statutory Holiday Leave)	PROTECTED
--	-----------

Float Leave (Schedule F, s. 10.1 CA) (and March 2, 2018 Bulletin – Protection of Float Leave)	PROTECTED
--	-----------

There may be unique situations that may or may not trigger further compensation as a result of this temporary measure and we would kindly ask that you inform your Union Executive of the circumstances. The Senior Management Team and the Union Executive will endeavor to meet regularly to maintain the spirit of this agreement and to discuss any barriers.

As per previous leave approval requirements, all leave must be pre-approved by an immediate Supervisor, who must ensure minimum staffing and special events planning requirements are met. Leave that is approved without meeting the noted conditions may not qualify to be protected.
