

Nikolas Badminton

FRSA, Chief Futurist at futurist.com

Nikolas Badminton is a world-renowned global futurist speaker and Chief Futurist that mentors top executives and the highest levels of government to create bold visions by exploring desirable futures, anticipating opportunities and risks, and strengthening strategic planning.

He has spent 30+ years working with leadership at over 400 leading organizations at the frontline of futures, strategy and disruption - including The White House, NASA, Disney, Google, Microsoft, Intel, IBM, WM, JP Morgan, Verizon, VISA, TD Bank, American Express, Dyson, BISCI, ISACA, Rolls Royce, Procter & Gamble, US Department of State, UK Home Office, United Nations, and many more.

Facing Our Futures: How foresight, futures design and strategy creates prosperity and growth - is Nikolas' number one best-selling book and has been named Top-50 Business Books of 2023 by The Next Big Idea Club, and JP Morgan Private bank's "Next Gen Pick" for their 2023 Summer Reading List to guide new leaders to embrace futures thinking.

Nikolas' essential research has been featured by the BBC, VICE, The Atlantic, Fast Company, Business Insider, Forbes, Sunday Telegraph and many others. He appears on SIRIUSXM and CTV regularly, was a key advisor to the 'Age of AI' series with Robert Downey Jr, and appears in the Franklin Institute's series '2050'.
